Coaches Award:

Comments: A bit of an embarrassment really – given we were ahead of these guys on the ladder. The difference between the two teams was obvious. They were more determined, disciplined and desperate than us. All players need to attend training. The dismal attendance levels of late were reflected in today's effort.

Comments: Today's win was the most solid win I have seen by this team. They were hard and physical at the ball and have been rewarded. Credit to all the Players as everyone stood up and were accountable and dug that little bit deeper when challenged. Well done.
