Well done to Scott Cooling and Jamie Kerr for winning coaches awards, and Jamie keep on marking the ball and kicking long. We want one of those goals from training last week.

Coaches Award: Mason Crozier – Classy & polished performance all day. James Cooling – Improving every week and great goal in his 50th game

Comments: Very difficult to win against a good side with only 16 players. The way we fight out a game until the final siren is terrific. We are relying on the same 6 or 7 to do most of the work so the others must set up and be more consistent. Congratulations to James Cooling on 50 Great Hawks Games. Thanks to Aseeb for helping out today (he has a heart as

big as himself)

Under 15 Mossgieil Park 9/12/66 Defeated By Waverley Park Hawks 13/7/85

Coaches Award: C. Emerson (Courage & Determination)

Comment: Although undermanned the boys put in a huge team effort to outclass their opposition players. Their quick precise passing and accurate kicking for goals was a highlight today. Keep up the good work. I would also like to mention that I believe these boys are one of the best “team” groups in the competition.

Under 16 Cheltenham 18/16/124 Defeated Waverley Park Hawks 4/13/37

Goals: N Daskalou (3), S Watson (1)

Best Players: Daskalou, Dobson, Edwards, Kerrison, Talidis, Watson, Brown, Goodall

Coaches Award: Nathan Daskalou

Comments: We played football for one quarter only. The last quarter effort was fantastic. We should now realise that we can play great football when we want to. Keep the tenacity of the last quarter and we can win games. Lets keep giving 100% and it will turn around.

Under 17 Waverley Park Hawks 10/9/69 Defeated Melb. Unicorn 9/11/65

Comments: An incredible hard fought, relentless victory. With a team lacking many of our best players, we stuck to our tasks and improvised. Everyone took a step up today, and if we can show the same level of commitment and passion for each other, we can be more than competitive with anyone in this division. Congratulations on knocking off the top side!
