Comments: Behind at quarter time kicking against the wind. I think the boys ad Hayley thought it might just all happen for them. Clayton had a full squad today and were much more competitive than our last encounter. We kicked away in the second quarter and did very well against the wind in the 3rd. In the final quarter there wasn't much scoring except for two late goals by us. We now play a Semi Final against Ashburton Black. This team deserved theirwin todaywith the great improvement they have shown over the last few weeks. Go HAWKS IN THE SEMI!!!!.

Comments: The boys knew they were in for a game today and were pumped and ready to go. In the first quarter we were a bit rusty with our skills. But the next three quarters we settled and played some brilliant football. Some of our passing and our run with the ball was excellent. Congratulations boys for a fantastic effort in finishing on top of the ladder. Now it's the big one !!

Comments: This was always going to be a tough game but one that with a huge effort we could have won. The team tried very hard to get a win today, but Macleod were just too strong on the day. This was a great game to watch. Two evenly matched sides, we won the last quarter and it was good we played the game out to the end.

Comments: A sensational win when you consider the windy conditions today. The boys linked up well as a team and moved the ball forward quickly to record another good percentage win. Looking forward to next weeks game ad the finals with confidence. Keep the good work up!!!

Under 17 Waverley Park Hawks 7/7/49 lost to Mordi Brae 1/18/84

Goals: N Talidis (3) D Macleod (2) J Rickard (1) N Daskalou (1)

Best Players: Even effort by 16 players

Comments: With 16 players we sent shivers through the top of the ladder side. It makes you wonder where we would be without all our injuries. What a great effort. Lets end the season with a bang.
