**Comments:** After a lethargic first quarter the boys started to play well half way through the second. After half timewe dominated in the 3<sup>rd</sup>. We backed each other up, broke out of the centre and started to go forward.Four goals later and we really started to havefun. We held them in the last and I saw patches of brilliance from the boyswhich shows if we believe in each other we will score more and eventually will get the points. Keep up the good work boys.
