Comments: Today saw the majority of the Under 9's play their first ever game of competitive football and the guys acquitted themselves fantastically. Their tackling and willingness to do the hard things was amazing considering most had never played contact sport.

The improvement throughout the game was immense and I am looking forward to the coming weeks where I am sure they will continue to improve their skills and most importantly enjoy their football. Many thanks to my team manager Mark Cauchi who was an enormous help on a very hectic morning and to all parents who filled official roles on the day. I look forward to working more closely with all of you in the future.

Comments: A very pleasing performance in our first game of the year Great opposite foot kicking by David, Mitchell D.A. (twice), & Nathan. Our tackling after ¼ time was terrific.

Prahran dominated the first half to have a 9 goal advantage at half time. To our teams credit, our tackling, chasing and general competitiveness improved in the second half which provided a much more even game and saw the Hawks outscore the opposition in the second half.

Best Players: 16 very tired boys

Today was my first look at the team under match conditions and I was very pleased. With only 16 players it was a great effort to win, given the warm conditions and hard ground.

Special thanks to newcomers Patrick, Mathew and Alex who are great boys and I hope have a fun year with us.

Goal Kickers: Luke Narduzzo: 1

Best Players: Andrew Clarke, Chris McDermott, Stephen Kouvardis, Thomas Dodemaide

We played against a side whom last year played division one football, compared to ourselves in division three. The result on the scoreboard did not matter today; the focus was on playing our style of game, and doing the things that we are learning at training. Unfortunately, we were unable to get into that game today, against quality opponents.

We must make the effort to get to training more often, and commit ourselves to becoming a stronger, focused team. As much as the results from today were disappointing, and were not a reflection on our pre season.

We can come away today only with positives and ensure that we learn from today. It is important that we identify any weaknesses, and turn them into strengths in the coming weeks. Things will change boys, keep your heads held high, and let's look forward to taking the next step this season
