Comments: The U9 White boys played very well this week. At training during the week we worked on getting first to the ball, and everyone did this very well. The boys ran all day and worked well as a team. We are all going to keep working hard to improve our skills and attack on the ball. Well done boys, and good luck next Sunday.

Comments: Captain: Cameron Rowley. After a very slow start to the game the fast finishing Hawks just fell short against a strong Prahan team. We trailed by 5 goals at half time before playing a fantastic second half. Our numbers at the ball and willingness to run and pressure were outstanding after half time. Keep working hard at training and at home on your fitness and skills and we'll continue to rapidly improve over the year. Go Hawks!

Comments: Very tough conditions and after last week's loss they really came to play. Their commitment to the winning the ball was outstanding. They did the team things that we have practiced during training, running past and punching the ball when caught behind. The boys played four quarters which was pleasing to see, they did not give up.

Comments: Special thanks to Jayden who played back to back games to help us out. Welcome to Heshan Amarasekera for his first game for the Hawks. Very tough conditions for skillful football. Conditions required each player to do their job and help their mates. The guys played as a team, voices were used positively and they ran in packs. The workload was shared better than the week before, but there is still room for improvement.
