Comments: After a slow start, the team clicked into gear clawing back a four goal deficit to hit the front by 3 quarter time, unfortunately going down by a couple of goals late in the game. Good leaning game for our first effort, with the boys attack on the ball first class so plenty to build on the endeavor and spirit in the group.

Comments: You couldn't be asked for anything more in our first game from this U9's team. It was if they had been playing together for years. Great spirit, teamwork and running throughout on a very big ground. The team was led well by its captains in Cooper W and Vincent. A great team effort that made the supporters and all the coaching staff proud. Well done to all!
