Started well today defending into a strong wind and only being a few points down at the first break.

Attacked the ball really well in the 2nd quarter and kicked 6.3 to zero for the qrt. Played a really strong 2nd half and never let up, we were aggressive at the contest and never gave up easy kicks. The team looked for each other and protected each other, another great TEAM effort from everyone ... One more win to go!!

We were jumped in the first quarter against the wind and struggled to get back into the game. This week we come up against Mordialloc-Braeside and we will need to be at our best to ensure we make it to the Grand Final in two weeks.

Tough day to play football, Mud, Rain and more Mud. But these are the conditions we are going to expect over the last weeks, The game against St Kilda we only lost it in a 5 minute patch in the 3rd quarter. Due to the conditions we moved away from our normal game plan. You can see how even our sides are, We can win this year's Grand final but all our efforts must be against Murrumbena this week. Back to basics, Run, Run & more running, This week is back to playing to our game plans. Moving the ball quickly to a team mate. Don't turn up to the game thinking that it will be easy, be confident and look after yourself and be focused.
