Comments:

We continued on from last week's first win. The awareness of how to structure up in the forward, midfield and backline has become a highlight of how well they are coming together. The team dominated possession, repelling most advances and setting up scoring opportunities in our 'hot spot' in front of goal.

Comments:

A great team effort. Led by captains Josh G and Zach F and we showed great spirit, run and teamwork to post an exciting victory. It was highlighted by our pressure, bumping and sharing of the ball through the use of handball. Great first game from Dale and a great first goal for the hawks from Joshua G. Well done all!

All the boys put in a fantastic effort under trying conditions that brought home that this is truly a winter sport. After a slow start in the first quarter we pulled together to record our 3rd win, making it 3 from 5.

Our biggest and best win for the season. David T was deadly around goal and everybody put in today.
Michael Hillman came very close to booting 2 goals and Jake thumped one home from the 50 line. Starsy was very disciplined and Gregor is kicking longer and straighter. Good stuff TeamMak.

Provided we improve on our "manning up" we'll have many more great results. Congrats to Rebekah Watson on 50 fantastic games.

Comments: The team bounced back very strongly after being beaten pretty comprehensively last week. We went into the game with a much tougher approach with tackling and protecting our team mates as the focus. The team shared the ball and made the most of the big ground at East Malvern. Congrats to all, a great return to form.

Comments: Fantastic team effort, We ran hard all day and we brought our teammates into the play.
We transferred the ball from deep in our back line to our forwards with speed and precision. Long kicks, fast running and good use of the ball. Again good spread of goal kickers that shared the work load.
