### WP Hawks 0/2/02 were defeated by East Brighton 9/4/58

Lachie Noble, Jordan Davis, Darcy Cassar

After a great run of success for the last few weeks, the young Hawks came back to earth against a very good and well drilled side. Playing on the very small ground at Brighton, our boys did not adapt as well to the confined and slippery conditions and although we tried right to the end to play hard footy, we could not take a trick in front of goal. Good learning experience for team to build on.

A hard fought exiting contest for the U9 Brown side in difficult conditions. The boys fought hard all day with the game even at half time. With great run and carry and defensive pressure we were able to kick straighter than the opposition and have a great win. Great determination and pressure from our captains Jordon and Damon who led an overall fantastic team effort. Well done again!

After a dominating start by East Malvern our boys played fantastic in the second half to out score their opposition. Playing in the mud at East Malvern it was a very physical clash but the boys to their credit played the game out strongly.

We went down in a bruising encounter to a bigger and very well drilled outfit. We started really well leading by a goal at half time but faded towards the end. Jaxon G showed great courage and his brother Cooper took a big hit doing the same. Jackson D starred at centre half back. Jack Ross ran into a shirt front and Starys ran hard and straight at the ball. Great to see Lachlan Goldsworthy get amongst it in the last quarter as did Brodie and Brock, who is having his best season.

Another spirited performance from our team in very wet and trying conditions. We led for the entire day without breaking the game apart, the team was very focused on playing in front and winning the footy. We still have some work to do on our defensive game and will continue to train on this. A very exciting finish with Murrumbeena having a shot to win the game after the siren, they did not make the distance....phewwww!

Another nail-biting game for the Under 11's with a last minute shot for goal hitting the post and denying us victory. Our shepherding and voice out on the ground were particular highlights along with our attack on the ball. If we keep improving each week like today, our next win is just around the corner. Go Hawks!

We met a more committed, determined Ormond Blue team today who had a handy 4 goal lead at the last change. To the team's credit, we battled on in the last quarter to go down by 11 points. With seven wins and two losses so far, which is a fantastic result, the same result in the last five games of the year should see us participate in finals. Well Done to all players.

Today we lost a game to a side that was just a little more determined than we were to win the football.

Although we played solid football and led for the first three quarters when it came time to step up in the last quarter we weren't prepared to do the hard things required.

Patchy football for the first 3 quarters, great passages of play then we lost concentration to let the opposition move the ball easily around the ground. Started the last quarter 4 goals down but started playing a better team game, fort hard during the last quarter to be within a goal with 4 minutes left but time ran out.
