M. Khone, L. Jenkins, L. Boyle, J. Soligo, T. Thomas, M. Ferracane, L. Bertram and all the team.

Hayden Emerson and Angus Bailey

Another comprehensive display from the team who remain strong in defence and worked hard in a congested forward line to score our goals. Today we rotated players in positions and we were able to see how well all our players have progressed in their skills and understanding of the game. Hayden was duly rewarded with the coach's award after a top season of our brand of 'tough footy' along with Angus.

A great game from the U9 Brown side against strong opposition who had only lost 1 game. The boys started well but had trouble dealing with the wind kicking 1.4 in the first quarter. It was great to see improvement from some of our younger players such as Rory, Alex, and Dale. The boys pressured, bumped, defended and ran hard all day led by captains Zach G and Dale. The team came home strong in the last quarter but fell short in the end. The boys put everything they had into this game making us all proud of their efforts.

WOW - what an effort boys! First to the ball, great team work, huge second efforts, plenty of encourage to each other and great bumping. First goals to Emilio and Jake H for the Hawks - well done. Fantastic captains game Sam. Well deserved coaches award to James P.

What a drama filled game this was...We held the top team to just 2 goals for the match and almost pinched a win. Beaumaris are the tallest and most skilled team we have met and our boys really made them work. Unfortunately the game was called off 5 minutes into the last quarter after Cooper Gervasoni suffered a neck injury and had to be taken to hospital. He is Ok and after 4 hours in hospital turned up at the after match. (they breed em tough in Mildura). We are just short of beating any of the top 3 teams and given a little luck who knows!

A very tight game in tricky windy conditions. The team worked hard to remain competitive and we very nearly stole the game hitting the post twice in the last quarter. We fought the game right out to the final siren which was pleasing. Our team will continue to work on our competitiveness, controlled aggression and confidence to get in and win the footy.

Matthew Jago & Jonathon Kryiakoullakis

During the first 3 quarters we were very competitive and had some brilliant individual and team passages of play. During this period of the game our enthusiasm and work rate was first class. Unfortunately our last quarter was a big disappointment with our efforts and willingness to persist not at the level required. We need to bounce back next week with a really strong effort over 4 quarters and show the great resilience this team has. Go Hawks!

Excellent four quarter effort from the Salon World 12's against Ormond. Attacked the footy hard and maintained control of the game for four quarters. Players persisted with hard running and team football and were eventually rewarded on the scoreboard. Well Done to all players.

Today we had an "ugly" win. We were very good when it was required in the last quarter and kicked 4 of our 6 goals in this quarter. Early on we lacked accountability and just watched the game go by however as the game wore on we became more committed and harder at the contest making some very important smotherers and laying some very good tackles .. Well done to all

Today's game showed that there isn't much between us and the top team which should give us a fair degree of confidence for later in the year.

Today I gave the boys a game plan and they played to it a vast improvement on previous weeks. A little wayward in the forward line at times, but if we stick to the plan lead and execute our kicking more efficiently we should cement our spot in the finals. good turn around boys
