PRESIDENT'S REPORT 2022

Great to get through our first full season since 2019, hard to believe when you think about it, but it's the reality with no games in 2020 and only 8 in 2021. Footy was back in a big way in season 2022 and it was so good to see all of our kids on the park having a kick each week.

The club continues to be in a strong position both on and off the field. We fielded 15 teams this year with the highlight being 2 x U17.5 teams and 2 x U9 teams. Actual member numbers were down a little, but that was consistent across the league and I think as a club we have come out of COVID in a strong position.

We are a club all about participation but having success on the field is always nice. This year out of the 15 teams, 12 teams played in competitions with finals (U9 & U10 played lightning carnivals). Of those 12 teams, 8 teams qualified for finals and 5 teams won at least one final. We had 4 teams play off in Grand Finals and managed to win 2 Premierships. A big congratulations to our U13 Gold team and U17.5 Foale Div 2 teams who both won their respective Grand Finals. Commiserations to the U14 Gold and U17.5 McCluskey Div 3 teams, who unfortunately went down in hard fought Grand Finals. A fantastic result across the board and I'd like to congratulate all of our players for all of their hard work and success throughout the year.

A big thank you to all of our sponsors for 2022, we have had a great response to sponsorship this year and their support assists us in every facet of the club. To all of our amazing members, both young and older, we wouldn't have the junior footy club without you, and we hope to see you all back again in 2023.

Our coaches, assistants, TMs and other team volunteers have all put in a huge amount of work again this year. Our footy club can't function, and kids don't get on the park without all of you. Our kids are lucky to have such a hardworking, caring group of coaches and volunteers to guide them through their footy experience. Well done on a great season in 2022.

To all of those on our committee, the amount of time and effort invested into our club from all of you is amazing and is one of the reasons the club is so successful. I can't thank you enough.

To our older age group of the U17.5 boys who have finished their junior footy chapter this year, I wish you all the very best with your next football journey and I hope you have enjoyed your time at the Waverley Park Hawks Junior Football Club. Remember, you will always be welcome back to the WPH's as a past player and I wish you all the best in whatever you decide to do in the future.

Finally, after three years my time as President has come to an end. Thank you to everyone who has supported me throughout my time, it's been a privileged to be President of such a wonderful junior footy club and I wish our next President all the very best.

Ryan Hammond

MAZENOD OCFC UNDER 9 BLACKSTOCK COACH'S REPORT

It's been an absolute pleasure coaching the 2022 U9 boys this year. They had an excellent season and I'm incredibly proud of them. As a first-time coach I was a bit uncertain about what to expect, but from our first training session it was clear we had a special group of kids, and from the outset I was really impressed with the level of skill and motivation and I knew we'd be in for a great season. As well as having a great group of kids, a massive thanks must go to all the parents who each week were happy to volunteer for all the roles needed on game day. We really couldn't have done it without you!

As each week went by, it was fantastic to see the improvement and no matter the result, the boys never gave up and played right until the final siren. Each week the margins would get closer, and our message was that if we keep putting in 100% effort and supporting our teammates then the results will come. When we recorded our first win in Round 6, it was a really special moment to see the boys celebrate together and be rewarded for their continued effort.

The team had a good mix of players with a season's experience as well as a number of first year players. It was great to see the skill, maturity and leadership displayed by the senior boys, Ben Blackstock, Thomas Blencowe, Beau Lillywhite, Ashton Roughton, Matt Timms and Daniel Yu and it was great to see their confidence and skill improve further throughout the season.

Our first year players, Hudson Achilles, Flynn Farrell, Callum Liew, Dusty Moutsias, Max Sibbison, Jackson Sketcher and Connor Valavanis were also really impressive, continually developing their skills and confidence each week. Special mention to our youngest first year players, Eddie Simmonds and Levi Cochrane who stepped up into the U9 team as we don't field an U8 team.

Off the field, a huge thanks to all our volunteers, in particular our Team Managers, Tracey and Rachel. There's a lot of work both behind the scenes and on game day and we appreciate all you do to make sure everything runs smoothly.

Thanks to our Trainer Karina for keeping our boys safe - I'm pleased to report we got through the season with no injuries!

To our Field Umpire Aaron, a huge thank you - it's one of the hardest jobs out there, and you did an excellent job every week! Likewise to our Goal Umpire Mark, massive thanks from all of us.

To our Runner John and Assistant Coach Rikki, without your help at training as well as game day we'd be lost. Finally to Ash Pensa, it was a pleasure to coach alongside you and it was great to train as one squad.

Well done to everyone on a really successful season and I look forward to seeing everyone back next year.

GO HAWKS!!

MELBOURNE FOOD DISTRIBUTORS UNDER 9 PENSA TEAM PHOTO

MELBOURNE FOOD DISTRIBUTORS UNDER 9 PENZA COACH'S REPORT

It has been an unbelievable pleasure coaching the Waverley Park Hawks U9 Pensa boys this year.

With this being my first year as a coach and the first year of playing for a lot of the boys, it was a learning experience for everyone and seeing the excitement and enjoyment they got out of the year was amazing to see. As soon as we started training, just before the season, it was really clear that we had an amazing group who all got along with each other immediately and it was going to be a really fun season of footy.

While we had a few players who played last year, most of our group were first year players and it was incredible how much every one of them was able to improve their skills each week and now thinking back to where they were at the start of the year it really is incredible to see how much better they have gotten over such a short period of time.

While we didn't keep scores officially in U9s, the boys definitely knew what the score was each week, and they were able to be competitive every week and never gave up no matter how the game was going. In terms of a coaching perspective, one of the most pleasing things to see was the kind of teamwork we were able to put together in the second half of the year compared to the first couple of games in the year, especially players like Mitch Mather, Anthony Arena and Daniel Rossi who worked extremely hard at training and improved out of sight over the year.

Some of those first-year players Hayden Quinn and Max Molloy were able to consistently find the ball and get it across to a teammate. We had a few players who were absolute tackling machines in every game in Tomce Pecevski, Tom Anstey. Our full backs made it difficult for the opposition to score each week in Ethan Robson and Gavin Sandlin by shutting down their forwards all year. Our natural on field leaders in Zach Georgios and Thomas Begazo and Reed Bowey were incredibly consistent in their efforts all year to lead the rest of the team through the tough situations in many of our games this year.

James Barker was Mr Reliable every week, kicking goals and passing them down to our master goals sneaks in Zach Austin and Spencer Dow who all found a habit of kicking at really important times. I'd like to give a special mention to Santi Figueroa Guerra, coming into a team part of the way through a season is tough for anyone, but he handled it superbly and fit in so well with the rest of the boys as soon as he joined the group and made an instant impact in his performances.

Finally, to thank you to the families of the players. The trust, support and assistance you have provided this year has made this year more enjoyable for myself than I ever thought it could be. Particularly our team managers Richie Begazo and Jessica Deva, who have made sure that this year has run as smoothly as it has and making sure that the boys can play each week. To our runner Kristian Dow, thank you for all your work on gameday and at training. Our umpire, Matt Quinn thank you for the work you do every week and teaching the boys more about the game than you would know.

And lastly, our trainer and assistant coach Matt Bowey, thank you mate for your help this year, it wouldn't have been possible without you. Thank you to everybody and thank you for making this such an amazing year.

GO HAWKS!

**MULGRAVE PIZZA HOUSE
UNDER 10 BOYS GOLD TEAM PHOTO**

MULGRAVE PIZZA HOUSE UNDER 10 BOYS GOLD COACH'S REPORT

Firstly, what a season! I am so thankful that we were able to have a full year of footy! I've loved getting to know each player a little better and have the opportunity to contribute to their footy journey. The great thing about under 10's, it isn't about winning or losing (although every player lets me know the exact score at every break). It's about learning and developing the basics of footy, experiencing a team and club, and having fun with their mates. I'm quite confident we achieved this.

This year we had 20 amazing players who each brought their own unique skills and attributes to our team and solidified their bonds both on and off the field. Coaching a team of Under 10's would have scared the hell out of me before becoming a footy coach however this group has been amazing. Every player has shown terrific improvement this year and should be extremely proud of themselves.

It was obvious from the start of the season there were some boys who hadn't put the footy down over the summer months. Emmett Webb, Lucas Rohan and Ray Ganas were wonderful leaders who brought their mates into the game and led from the front all year each having an outstanding season.

We have had some special moments throughout the year. On the field, the celebration when Ted Weston kicked his first goal, Ben White's voice leading us into our theme song most weeks and Will Weir who at the back half of the season showed having confidence in his own abilities makes a huge difference. Off the field, we had the Hawks AFL legend Jai Newcombe attend our training and a day out playing half time at Marvel stadium.

As the season progressed, I was very pleased to watch Liam Smith, Harry Ignatenko and Taj Phibbs continue their improvement as utilities in all areas across the ground always making an impact wherever they were positioned and always impacting the game.

We were also extremely lucky to pick up some terrific recruits over summer. I received many opposition comments on the thumping kick of Dan Pecevski who kicked many goals as well as Mason Cornale and Corey Rennison making their impact up forward kicking goals from each pocket. Our small hard man Ollie Hickey threw himself at every contest being a huge ball winner all year and Brock Cranston was as solid as they come clearing the ball out of our backline all year. Isaac Welsh flicked a switch in the middle of the year and started showing off his talents and Nick Zorko who is always the nicest boy on the field, ever smiling, was a clearance machine often driving the ball forward.

It has been wonderful to watch the huge improvement across the year from Leo Bonnici, Finn Couttie and Max Simmonds who showed that the results of kicking the footy outside of training in their own personal time was evident. Michael Clarke would always turn into beast mode when I told him to treat the opposition like his older brother. I would like to say a huge thank you to all our parent group who helped make the season run smoothly. Without people putting their hands up we simply can't get our kids on the field.

I would like to say thank you to a few specific people. Firstly, to our two marvellous Team Managers Caroline Weston and Brodie Cornale. They both went above and beyond every week and made sure every player got the best experience all our boys deserved. Benn Weston, who was by my side all year, rain, hail or shine keeping me and the boys in line. Our runner Anthony Cornale who was always in our players ears on the field. Our trainer Rob Bonnici who was on stand by every week ready to look after our boys. Our amazing umpires Adam Weir and Carmine Rohan who are the best U/10 umps in the comp! Finally, a huge thank you to our ever-reliable Goal Umpire Paul Ganas. We have many other people who were willing to fill in every week. You know who you are!

It has been a wonderful year and I can't wait to see each and every one of you in 2023 when we play full ground football and can officially score.

Go the Waverley Park Hawks!!!

ELEGANCE TILES UNDER 11 BOYS GOLD TEAM PHOTO

ELEGANCE TILES

UNDER 11 BOYS GOLD COACH'S REPORT

Season 2022 for the Waverley Park Hawks Under 11's side can only be described as successful. Whilst we often measure success by the number of wins the team achieves (which was plenty), in my opinion, success at this age group should be measured by the improvement each of the players made during the season.

Whilst we had our core group of players return from last season, we did lose some but also recruited very well. With 20 registered players, we did anticipate that this could challenge us throughout the season and we were proven right with players missing through illness & unavailability. However, I am pleased to say that this did not stop the fantastic effort the boys displayed each & every week.

We started the season with two very good wins in the practice matches. This form carried through to the start of the season as we started in Division 6 and quickly moved up to find ourselves settled in Division 4. A string of great performances saw us head into the middle of the season undefeated. The belief & never say die attitude of the boys was never more evident than in a memorable game against East Brighton on their home ground. After losing Thomas during the match to a season ending injury, the undermanned Hawks entered the last quarter with a narrow lead. Up against a strong breeze & an opposition with their tails up, we found a way against all odds to hold on & end up in front at the final siren.

The second half of the season was more challenging for us. Consecutive matches fielding an undermanned side took its toll. Similarly, I also believe that the fatigue of a first full season in a few years contributed to a couple of uncharacteristic performances. That said, I cannot question the effort & attitude the boys brought to training & matches as we head into an exciting finals campaign.

As mentioned earlier, what pleased me the most was seeing the development of each player in the team. Cristian Sofocleous and Joel Quinlan took their games to another level. Their silky skills & ability to find the ball & bring team mates into the game was a standout. Kai Phibbs continued to take the game on & he uses his speed as a real asset consistently propelling us forward. Jack Gifford battled hard each week as our number one ruckmen. The work he has put into his skills & the improvement this season should be congratulated. Daniel Melham & Michael Yu were the rocks of our defence. Their attack on the ball continues to impress. Jarryd Urban & Zac Rennison never take a backward step and their ferocity at the contest is often a barometer for our team. Dylan Toohey & Jake Monaco often find themselves undersized in a contest but that doesn't stop their effort & tenacity. Zach Gerace was often used as a utility. Whenever we needed to sure up the backline, he was called upon. Whenever he was positioned in the forward line, his marking & impressive kicking was a standout. Jack Richardson definitely knows where the goals are often bobbing up for a major and his celebration of a goal is almost as impressive. Thomas Turner also has the ability to find the big sticks & it was a shame his season was cut short. Beau Sheehan-Warren & Che Alehandra continued to improve & found the confidence each week to assist the team.

To our first year players. Tyler O'Brien often showed maturity above his years on the field. He reads the play exceptionally well. Continued to work hard on his skills & positioning around the ground & was always willing to play the role asked of him regardless of what that was. James Tzortzoukas was often dangerous in front of goals. He developed the confidence in his abilities throughout the season was a valued member of the team. Cristian Rico was also someone who improved throughout the season. I often asked him to rise a level during the match & he never disappointed. Aayan Surani regularly found space on a wing & was an important link player from defence to attack. James Guarino to was a player to grow in confidence during the season. His speed is a standout & if he continues to work on his skills, will be a real asset for the team in the future. I would also like to mention the under 10 players who filled in for our team throughout the season. Cory Rennison, Emmett Web, Dan Pecevski & finally Taj Phibbs. Taj often backed up from his regular game & filled in on numerous occasions. Given he is a year younger than most of the boys on the field, it did not show & his contribution to our team this season is much appreciated.

Finally, I would like to thank all the parents for their support throughout the season. Each & everyone of you contributed to the running of the team with volunteer roles & encouragement. Particularly Demos & Marie for their assistance with the training duties. Fil, Ben & Tony for being runners throughout the season. John for being my assistant coach and being a great sounding board for ideas. And last but not least Liz for being an amazing Team Manager. Without Liz organising us every week we would be lost. We are all very grateful for the amount of work Liz has put into the team.

Congratulations on a successful season boy's. It has been a pleasure to coach you all.

K&IE TRANSPORT UNDER 12 BROWN TEAM PHOTO

K&IE TRANSPORT UNDER 12 BROWN COACH'S REPORT

Well done to the K&IE Transport U12 Brown team for a fantastic season in 2022.

After a few years of disappointment regarding lockdowns and stop/start seasons we were able to complete a full season of footy and thoroughly enjoyed it. To only say that our boys improved this season would be a huge understatement.

After a solid pre-season this year, we found ourselves in Division 4 again for 2022. We improved massively from zero wins from 7 games in 2021 to deliver a result of 6 wins and 5 losses for the 2022 season. Our ladder position of 5th place from 10 teams saw us very competitive with the top 4 teams in our division and able to beat the sides below us without too much difficulty.

The improvement from our boys as a team, and as individuals, was outstanding. The maturity our players showed on and off the field was very pleasing. Their ability to listen to instructions at training, and during each game, went a long way to us becoming a more competitive, tight-knit playing group.

The skills improvement (ie, kicking techniques and accuracy, marking improvement, contesting overhead) as well as our team-play improvement (ie, running for teammates, staying in position, shepherding) were very noticeable as the season progressed due to hard work at training and application during our games.

Individually, we had some fantastic milestones. Logan Irvine, Bentley Rohan, Tarkyn Stevenson, Mitchell Adams and Max Carey all played their 50th games this season. All 5 of these boys played a quality season that reflected their experience as they were huge contributors to the team. Congratulations!

Cooper Austin had an outstanding season, starring in most games, and finished on top in the SMJFL Division 4 goalkicking tally with 22 goals! Awesome effort, Coops. Cooper and Xavier Kelly were both nominated to try out for the SMJFL Interleague side to play post-season. Good luck with the training and the match, boys!

We enjoyed watching our entire team improve in 2022. Special mention goes to Max Carey, Riley Mastromanno, Brodie Sutton, David Clarke, Matteo Spada, Jordan Pecar and Christian Di Somma who all took their game to the next level this year. All of these players improved their individual games and contributed to the team exceptionally well this year.

I'm sure most teams would claim to have the best parent group but I truly believe the U12 Brown team does! We had so many volunteers on game day, at training and off the field.

A massive thanks goes to our Assistant Coach, Scott Adams, who was my right-hand man once again. Your input at training and in tense match situations is truly valued.

Huge thanks also goes to Spero Fatouros, who took on the role of Team Manager for the first time. Your efforts are hugely appreciated, Spero, as we know it's a big job and your work keeps you busy.

Thanks heaps, Sam Battaglia, for putting on a couple of fun boxing training nights for us at Columbia Oval, and always being around to help. Many thanks to Tony Soydan, our team sponsor (K & IE Transport) for showing Scott and I and the team great support and donating the pizza for the boxing nights. Thank you, Michael Di Somma, for not only being our runner each week but for always being there at training to help out, rain, hail or shine. Thanks also to Merziyah Trumble (Trainer), Daniel Kelly (Trainer/TM/Specialist Kicking Coach) for your dedication and to Adam Clarke, Carmine Rohan & Jace Austin for your excellent umpiring.

Looking forward to further improvement and success in 2023. Go Hawks!

MOUNT WAVERLEY DENTAL UNDER 12 GOLD COACH'S REPORT

The Mount Waverley Dental Under 12 Gold team were excited at the prospect of playing a full season after disrupted seasons in the previous two years. Under the guidance of Simon Dresser, Steve Hayes and Glen Cochrane, the boys were keen to get going and put some wins on the board during grading.

We set some team goals early with the introduction of running play and moving the ball to the outside of the contest our major focus. The boys worked on this for the entire season and what an amazing improvement they achieved. When we got it right on our day we were really pleasant to watch.

Another key focus area we worked on was team first. This was on show during every game as we always worked hard for our team mates by tackling and shepherding and using our voices. This improved every week.

Our season started off well. We were initially placed in Division 6 and with two really solid wins we were promoted to Division 5 where we stayed for the remainder of the season. We had many new faces join the team this year and they all had immediate impact and huge amounts of improvement and growth. Welcome to the club boys.

The boys had a fantastic season winning 13 games along the way with 2 losses during the season proper. We had some fantastic games during the season specifically a 1 point win against St Pauls Doggies (the eventual premiership winner) and sadly a loss to Oakleigh in the last 5 seconds of the game.

We were fortunate enough to make the finals where we met Oakleigh in a semi final. Unfortunately, we had a very slow start giving Oakleigh a four goal lead in the first quarter which ended up being the final margin. We had some fantastic contributors on the day and the boys never gave in until the final siren.

Congratulations to the individual award winners and to all the boys on a fantastic season of footy. Thank you to the parents and all of the support staff who are truly the life blood of the club.

**NOTTING HILL BRANDON PARK CRICKET CLUB
UNDER 12 GIRLS TEAM PHOTO**

NOTTING HILL BRANDON PARK CRICKET CLUB UNDER 12 GIRLS COACH'S REPORT

Welcome everybody to the Waverley Park Hawks Under 10/12, 2022 Coach's report! This year is my 3rd year coaching the girls, and first full uninterrupted year. However, like many teams, we had many girls who were struck down with Covid (including our support staff) meaning we had lots of unpredictability and last-minute changes.

We had a variety of skill-level across our team. This was because we had many 1st year players, lots of Under 10s who were playing up in our Under 12 division, and some girls returning for their 3rd and 4th season. As a coach this was a challenge, but it was pleasing to see all the girls improve their own individual skill-level through-out the season.

Our training sessions focused on fun! We mixed it up a lot with fun games, which included fundamental footy skills. This included kicking, handballing, marking, picking-up the ground ball, and tackling. The improve we saw in the girls over the season in these fundamental skills was fantastic. I think we also became one of the strongest tacklers in our comp, these girls are fierce!

Come Game Day, whether it was scheduled at 8:30am at Port Melbourne, 10:30am at Columbia or 2:30pm in Brighton, the girls were super keen and excited to play. As a team, they all supported each other, enjoyed each other's company, and sang the club song win, lose, or draw. During the year, we were extremely competitive, and no matter the final score, the girls would never give up. I think this is the reason why the team finished close to the top of the ladder at the end of the home and away rounds, despite our relative inexperience.

During the season it was great to see the improvement of Isla, Alex, Annabella, Mirabella Anika, Belinda, Emily and Sadie. Sisters – Isla and Alex, and Annabella and Mirabella, who have never played footy before, were impressive in how they developed over the year and hopefully will continue to build their skills next year. Emily, kicked a goal in her (close to) first game, and Sadie looks like she will follow in the Robinson footsteps and be a tough, tackling machine, giving her all every game.

The tackling ability and chase down of the opposition from Stella, Ava, Sabra, Elsie, Amelia and Davina during the games was fantastic to see. It was Sabra and Louise's first season at the club, and we were very lucky and thankful to have them come across to the Hawks, as both were great additions to the team. It was also great to welcome back Ava and Sarah who had a year off.

The ability of Georgia, Sarah, and Teah, when in the forward line, to kick critical goals when the score was tight was exciting to see. It gave all parents, coaches, and spectators a great thrill to see the potential of these footballers.

During this season, we also had our first milestone match for the U10/12. Elsie played her 50th game for the club in the last round of the home and away season. This is a great achievement for an Under 12 and particularly given she has another year in U12. Congrats Elise!

Finally, to the families of the players, thank you for your assistance and support each week. Special thanks to Adrienne Cochrane, our superb Team Manager who has helped us run like clockwork every Sunday. Our trainer, Kim Brennan who kept the girls safe and well every week. Our field umpires, Mark Robinson and Adam Weir, thank you for umpiring and teaching our girls how to play with discipline, respect, and to play hard within the rules. Our runner, Luke Morgan thank you for your tireless work on game day. And finally, assistant coach, Amanda Coster thank you for participating in training drills, tracking our games every Sunday, and stepping-up on game days to take on the coaching role when needed. My role was far easier because of all the support from Hawks families, thank-you!

It has been an absolute pleasure to coach the U10/12s this year and see their improvement. I am very sure all our families will agree, we are very proud of the way the girls have played the game, and the way they have played for each other, as a united team.

Thank you, Glenn Czosnek.

UNDER 13 BOYS TEAM PHOTO**

DR DOUGH DONUTS UNDER 13 BOYS COACH'S REPORT

The year started with anticipation given the teams winning streak in 2021, before Covid restrictions again ruined the season. However, the grading rounds suggested that the competition was going to be tougher in 2022. Division 3 was our final grading with three other teams: Oakleigh, Murrumbeena, and Hampton Rovers. Each team were scheduled to play each other three times in the fixture.

We welcomed new players in Xavier Nahas, Ruzgar Ungormous and Anthony Ortika to the team bolstering our numbers for the season. As the season progressed, we saw the potential of the boys with them settling into their assigned positions on the ground. We watched as Kael Mahon and Oliver Wickham patrolled the wings with amazing endurance and as the Ruck combination of Jayden Weight and newcomer Anthony Ortika grew to become just one of the teams' strong assets. We saw the very special first goal moments of Benjamin Smith, Ruzgar Ungormous and Brendan Casella which had the team celebrating moments those boys won't forget.

We witnessed the back line strengthen with the incredible intercepting runs of Benjamin Hall and Max Zogoulas which put an end to many offensive plays. This was complimented with the strong defensive marking of Orlando Perez and Luca Orlando who had their work cut out for them all season. The ever-versatile talents of Marcus Spinelly and Charlie Sofocleous worked the half back line and mid field providing plenty of run and carry. Peter Craigie was courageous and dominant through the centre supported by Noah Cendamo who by season's end was a tackling machine. Our forward line was patrolled by recruit Xavier Nahas and seasoned team members Lachlan Burk and Jackson Costabile who all struck fear in the hearts of their opposition with their attacking pressure.

Peyton Douglas, Denzel Jayasinha and Charlie Sofocleous turned it on again this year with their strong goal kicking adding to their already impressive career goal stats. The team was fortunate enough to have support from some of our younger club members in Cooper Austin, Lucas Casella and Cristian Sofocleous who all contributed to the success of the team through the season right to the very end.

By the middle of winter, the team's spirits were low after a poor start to the season and the wet La Nina climate. We moved training from Columbia Park to Wellington Reserve to train with the Under 14's. This increased our numbers and expanded the variety and skill level of training. Charlie Sofocleous and Jayden Weight were selected by the SMJFL to attend the Saints interleague training program.

Later in the season the team had strong wins against the Hampton Rovers and Murrumbeena away from home breaking the run of close losses to them. Oakleigh was our nemesis all season with three comfortable defeats, including a 10-goal defeat under Friday night lights in the last home and away match at W.A. Scammell Reserve.

So, after 15 rounds, all four teams in division 3 headed to the finals. Oakleigh ended the season with 9 wins and a percentage of 204. Murrumbeena had 7 wins and a percentage of 125, and Hampton Rovers had 5 wins with a percentage of 93. We had 3 wins and a percentage of 72 and finished fourth.

Oakleigh was clearly the favourite to win the premiership, but our boys refused to give up hope. Our Semi Final was a hard fought 'nail biter'. A three-goal last quarter by the Hawks led to a thrilling one-point win, stunning the inaccurate flag favourite.

Murrumbeena also kicked late goals to have a one-point win in their Semi-final over Hampton Rovers. This setup a mouth-watering Grand Final between the Hawks and Murrumbeena. Murrumbeena had beaten us by one and two points respectively in our first two the home and away matches. Whilst we had a 22-point win against them at their home ground in round 14 there was still no room to be over-confident.

Henry Robinson was selected to be our Captain to the season finale. Henry won the coin toss and followed the coach's advice to kick into the wind. The first quarter was close with one goal apiece. The Hawks setup a two-goal lead kicking with the wind in the second quarter. By the end of the third quarter the teams were separated by a single goal. But our boys were committed to give 60 minutes of courage and effort, and this was the difference between the two sides. The Hawks ran out with a convincing 26-point win and celebrated a well-deserved premiership. Each player contributed to the win, proving that with a team effort, anything is possible. Henry Robinson was awarded best on ground by the officiating umpires.

Some of our players' football journeys started at Auskick and have continued from Under 8's whilst some players joined the team this year. All have combined to achieve ultimate team success. As coaches, we could not be prouder of the boys' resolve and team spirit. I hope this season will give each player memories that will last for years.

We are thankful for the support of the Club, the Committee, our sponsor Dr Dough Donuts and to all the parents and families that assisted the team throughout the season.

SPORTS IN FOCUS

NOTTING HILL BRANDON PARK CRICKET CLUB UNDER 14 BOYS COACH'S REPORT

Our Under 14 Boys kicked off our campaign for 2022 in the warm months of February and it was clear from the outset that the boys were determined for a big year!

Like any serious pre season, our focus was on running and fitness. Time trials, sprints and running drills were the order of the day in the summer heat and we measured our improvement from week to week. It was great to see the improvement in the weeks leading up to the season, both in those kids that came to the pre season with good fitness and those that were striving to improve.

We worked through pre season, practice games and the lead up to Round 1 bringing a lot of excitement after the disruption of the previous years. Our fitness was building and the improvement was impressive.

Our training drills moved into skills and strategy and the growth in our game plan has our team playing some fantastic football.

Our team this year has had 33 kids on the roster. Not quite enough for two teams, ideally too many for one team. We knew that the kids would have to be rostered to miss some games and the kids and parent group have graciously accepted this reality. With COVID, flu, injuries and other illnesses, on top of our rotations, our team hasn't been the same from one week to the next.

We commenced our season in Division 3 and have remained in this division all season. We have had a great home and away season. Our team has finished in third position.

Making the top four finals was a huge effort and the boys did a great job in defeating East Malvern in week one of the finals. The Preliminary Final saw us come up against our arch rivals Oakleigh, who had beaten us three times through the season. Our boys put in the best preparation and each of the boys were set tasks to help us win. We ended up having a huge win to make the Grand Final against Caulfield.

Unfortunately, things didn't go our way on Grand Final Day. We gave up a solid lead in the first quarter and it was catch up after that. We battled all game and got to within four points. But for a kind bounce of the ball, we would have won.

So proud of our efforts, we will be back next year!!

AAV TILING UNDER 14 GIRLS COACH'S REPORT

Encouragement, kindness, team work and respect were the values our players identified as important to them as we set out on the 2022 season. And that is what we got – on and off the field. Bringing two groups together – half the team moving up from U12s and the other half playing in their second season of U14s – can be tricky. But the players quickly gelled into a close-knit unit at training and on game day.

Their teamwork often proved the difference, stringing together impressive passages of play that saw the ball moved end to end along the wings or boldly through the middle. There were one percenters: tackles, bumps and shepherds that freed up a teammate. And there were wonderful celebrations after a goal.

Our mid-fielders were the engine room that got things going, while the back line was resolute and the forwards added the finishing touches.

Ruck duties were mostly shared between Daisy Robinson, Eliza Klein and Zoe Wright who all at various times turned games our way with exceptional tap work and follow-up around the ground, including slotting more than a few goals. Ball magnets Jade Gundry and Ebony Stevenson were mainstays in the midfield. This dynamic duo were at every contest, head down winning the hard ball or putting on a tackle to stop the opposition in their tracks.

The equally tough and silky skilled Suzie Alexiou regularly chipped in to rove the centre bounces when she was not causing havoc for the opposition high on the forward line or on the wing.

Our speedsters – Julia Hipwell, Olivia Snart, Scarlett Moresi and Shiloh Jenkins – provided crucial run between defence and attack, their versatility meaning they were often called upon to perform important roles all over the ground. Shiloh was a newcomer to football this season but fitted in like a seasoned pro. Also welcomed into our back line were Jamie Eva, with her steady hands and close checking, and Claudia Blangiardo, with her exceptional game sense.

With Claudia holding down full-back, Bella Cruize Appelman and Zoe (when she wasn't rucking) were freed up to play across the half-back line, cutting off countless opposition forays and pumping the ball back to our advantage.

When the opposition did get some penetration into their forward line, our support team of Heather Cassidy, Layla Christian and Paige Bretherton worked their hearts out to win back possession and run or boot the ball back out of there. Layla in particular was great at keeping an eye on the goal line and dropping back to lend a hand on the last line of defence.

Heather, whose confidence to back herself soared during the season, also did some great work on the wing, while Paige got on the end of a bag of goals during the season when switched into the forward line.

Kinslie Vicic was another of our goal sneaks, regularly bobbing up to slot one through when the opposition least expected it, using her astute reading of the play to put herself in just the right position.

Another of our regular forwards Georgia Simpson not only showed her worth by kicking goals but also with her pressure to keep the ball locked in our forward line. This pressure saw her help out across the half-back line to great effect late in the season.

Bianca Hooper-Ford really developed into her full-forward role as the season progressed, providing another strong target and crucial forward pressure, while Bella made the occasional classy cameo in the forward line, including to kick a bag of three and four in two games.

Structures and positioning were a key focus at training throughout the season and it was really rewarding to see the players executing this on the field, setting up defensive lines to keep the ball in our forward half, anticipating the play and making position for the next kick or handball.

It was also wonderful to see some natural leaders emerge among the group, with Eliza and Daisy in particular leading the way with their actions and encouragement and guidance of teammates on the field.

Our season came to an end with a narrow loss in a prelim final. Although heartbreaking for the players, this was a huge achievement in a season that threw more than a couple of challenges our way. Congratulations everyone.

PROACTIVE RENOVATIONS UNDER 15 BOYS TEAM PHOTO

PROACTIVE RENOVATIONS UNDER 15 BOYS COACH'S REPORT

I have been privy to witness these boys grow and mature for a number of years now, and I can sincerely state it has been an absolute honour to have coached these fellas for the last few years. This group has an amazing, eclectic mix of characters with conversely, a number of similar traits. While this year's U15 squad had a breadth of differing football ability, they are all such well-mannered, respectful and humble young men. It was genuinely a privilege to turn up to training and stand in front of them on Sundays. This lot arrived at their own 'team rules' at the commencement of the season and lived these to the very heartbeat of each value – as a squad they decided our rules were to be RESPECT, EFFORT, TEAM PLAYER, FEEDBACK, SPORTSMANSHIP, LEADERSHIP, ACCOUNTABILITY, CONFIDENCE and of course to HAVE FUN. They didn't waiver, and the camaraderie these boys had with each other made myself, as a coach and father, so extremely proud.

For the first time this year, our lads nominated their leadership group and did so on the pretence the leaders were to live our team rules, were 'encouragers' and were consistently at training. It was great to see we had a wide spread of boy's names floated for this honour highlighting the mateship within the group, but ultimately they arrived at Buckets (C), PK (VC) & Maxxy (DVC) as our leaders. Along with Torca, this group also represented our club within the Interleague carnival as part of StKilda's Next Generation Academy. With position comes responsibility, and these boys were huge in bringing training and game day ideas to the fore and really taking ownership of this being their team – thanks for your outstanding leadership this season boys.

We had a bulging list of 29 players last year, and started the pre-season with a far more manageable 21. It wasn't long however, before the itch started coming back for a number of lads and a couple of newbies as well – Barbie came to the first pre-season run and officially hung up the boots (only to be back once the AFL started!), Harry re-appeared after not wanting to play this year, Lefty was back after missing last year and Corker turned up having focused on Tennis for the last couple of years. The team had a bit of a recruitment drive, and before long we welcomed in Fizzer, Trev and Nug. Wasn't long where we were back to 28! It made moving the magnets on game day a bit more difficult to manage, but all of the new boys and those returning are fantastic and important parts of the fabric to this team. The season – we were moved around a little! We started in D3 and were essentially a bit strong having some solid wins, we went up to D2 after 3 rounds, had a bit of a reality check, went back to D3 and no sooner had we gone back we were thrust back to D2. What we found this year is that wins in the higher divisions are really hardly fought & difficult to come by, but it is this level of challenge and adversity where we really get to test ourselves, learn and develop, and for this we wouldn't have had it any other way. During all of this challenge, we had amazing numbers of boys at training, fantastic attitudes throughout and heaps of fun amongst it. For their attitude and application to the season I sincerely applaud these young men.

As just one cog of the machine, we have been so lucky to have a fantastic group of parents within our team, and for each and every one of you we are grateful and appreciative for making our Sundays easy to execute. Work and life sometimes gets in the way of being able to execute all of your responsibilities and can I thank firstly and foremost Denis for being at almost every training session for us this year, working those magnets and working with the lads with the intent on helping them develop. Thanks to our amazing team manager Sarah, for volunteering to go on a steep learning curve to ensure we were able to get out on the park each Sunday absolutely hassle free. We had the honour of the Prince of Rowville also assist with TM duties, but let's say for the small amount he offered here he made up for in taking the responsibility to create those amazing curries for our after match hosting duties – thanks Harris. Our unofficial assistant coach thanks goes to John for running each week, and delivering our messages to the boys. Pete stepped up for us this season and took on the Trainer responsibilities, giving Dale a highly deserved year off to watch Mitch play! We are privileged to have the greatest flag waver in the comp, thanks Ramy and for all of the other roles that popped up; thanks to all that volunteered without hesitancy to make sure we could get the boys on the park. Huddo – would like to thank you mate for allowing me to be your coach and for all of your help throughout the season, being in the same car as me means you were typically the first one there and last to leave. Lastly would like to thanks the Christo's for sponsoring our 'Proactive Renovations' U15 boys this season – your generosity is so greatly appreciated.

To all of our award winners this season, a massive congratulations and we hope that you are proud of your season and achievements. For those that didn't get a trophy today, I am so extremely proud in the manner you approached your football this year, your appetite to learn and develop, your questions and the complete and utter respect you showed us throughout the whole season. Each and every one of you improved this season and for this I am extremely pleased to hand the whiteboard over to the new coach with a group of players hungry to get better. Stick together boys, as I know this group is capable of doing some very special things. Keep a football in your hands over the next few months, be motivated to come back with a solid fitness base and I cannot wait to see what you men can achieve next season. Go Hawks!

A1 GARDENS UNDER 16 BOYS COACH'S REPORT

This season seems to have passed by in a flash. It doesn't seem that long ago that we were doing pre-season training at Lum reserve prior to last Christmas. What a season it has been with many swings and roundabouts and ups and downs, a season I will never forget.

Firstly I want to acknowledge what a great bunch of lads we have in the U16s. They are all respectful guys that know when to have a laugh and when to get down to hard work. I've really enjoyed coaching this group and getting to know the boys better and to watch them play footy each week. This U16 group have also challenged me to be a better coach and I really hope that we have been able to further develop them with some more football skills and knowledge.

It was great to welcome some new players and families to the team/club this season, such as Ambrose Lawrence, Luke Cooke and Seran Parathan. They all made valuable contributions to the team, and I thank them for joining our club.

We started the season with Con Negrepointis as the assistant coach but after a very unfortunate and significant Achilles injury early in the season, Con was literally off his feet for most of the season and David Huggins kindly stepped in to fill the role, and was a great support to me.

At the start of the season the boys elected their captain Cooper Negrepointis and their Vice Captains Max Taborsky and Tom Fewings. The boys all did a great job as leaders on the field and Cooper did a great job as captain, clearly understanding the need to lead by example on the ground and to being a vocal leader on and off the ground as well.

Playing in Division 2 this season has been has clearly been a challenge for us all and particularly the boys, dealing with several big losses. We did however enjoy our wins against St Peters which relied on everyone in the team contributing over 4 quarters. I believe that in most games we were competitive, and we were certainly no "pushovers". Generally, our first halves were stronger than our second halves. We saw more competitiveness and goal scoring, but often our fitness lacked in the second half allowing the opposition to run away.

We obviously cannot expect to move from Division 3 to Division 2 and be at the top of the table. Everyone in the team, including the parents needs to understand that there is a process to becoming successful in a higher division. A process that requires focus, commitment, and determination, as well as resilience from the parents, the players, the coaches and the Club.

On that point, I have to say I am pleased with the resilience displayed by our players over the season. They have to understand that life won't give them everything they want on a silver platter. Sometimes life is tough, and it doesn't go your way, but you have to learn to be persistent, and to learn from the failures in order to get better and stronger. So, I'd like the players to look at this season as a lesson in building resilience, persistence as well as Team Work, against adversity.

I want to thank all the parents that regularly assisted in game day roles, and particularly Marek Taborsky, Shane Fewings, Henrika Quinlan, Troy Hall and Peter Cooke for taking on roles as Runner, Boundary Umpire and Trainers. A big thank you to Gary Cassidy our Team Manager, for his support and management of the team this season and for a job well done.

A huge thanks to Con and David for their great support, advice and commitment to training and game days, particularly to "Huggo" for the great deal I learnt from him over the course of the season.

Finally thanks a lot and well done, to the players that made up our U16 Team and committed to playing footy at the Hawks this season. I really hope you have enjoyed playing footy this year and I look forward to seeing you back at the club next season with our U17.5 group.

ROKK EBONY UNDER 16 GIRLS COACH'S REPORT

What a pleasure it has been to coach this team in 2022. We had great numbers of girls for the team this year once again. Made up from last years under 16's and new girls coming up from the under 14's girls' team from last year.

Our pre-season was a strong one, although I made the girls run a lot, much to their dismay. We looked very fit going into the first round. I was impressed with the girls very positive attitude and the willingness to learn and have fun playing football.

The coaches loved training the girls and having a laugh, all having a great time and enjoying our roles. We were in Division 2 all year and that was good for us. It gave all the girls some really good challenges against the other teams. We got the season underway with some early wins and a lot of girls finding their feet in new positions on field.

As the season progressed with lost a few critical girls to injuries that put a bit of a damper to the season. This led to losing a few games I think we could have won if we had all the girls available. A real shame.

From time to time throughout the season, we ran short of numbers due to injuries, although we fortunate to get help from some Under 14 girls. It was a great experience for them, and they fitted into our team very nicely. Thanks to all the under 14's girls for helping us out!

As we reflect on the year, we were very competitive in all our games and the growth and development in our team was amazing to see. By the last game for the season the girls were playing as a tight nit, cohesive team. Ball movement and ball skills were great to watch.

Congratulations to all the girls for a wonderful year. Week in and week out I had parents saying how good are these girl's getting. I just wish we could have played in finals this year. I think we could of caused an upset.

I would like to take this opportunity to thank all our volunteers and supportive parents as they have been fantastic this year and very much appreciated. We've all made some new friends and enjoyed cheering the girls on at the good games and showing empathy and support at the challenging ones.

We've enjoyed a social banter and social interaction at after match functions, during game days and at training. We welcomed The McTeir family to the club this year and they quickly had their hand up to help out and cheer on from the sidelines every week.

Thanks to all those parents that helped out on training nights, whether it be fetching balls, teaching our girls new skills or how to improve on others. The muddy conditions and cold wet nights we've had this season make us even more grateful for those that braved the grounds and weather with our girls.

The Assistant Coaches and runners, including Andrew, Matt, Chris, Brad, Alex, Dean and Andy, all pitched in and supported our girls in developing their football skills and confidence on game days that helped us enjoy all 15 games this season.

This year, we've also had great support with the highly skilled Tamara & Nicole as our trainers, strapping, massaging, icing, and generally taking care of our girls on the sidelines. Thank you

Then there are all the rest of our amazing volunteers, where on game days we've never had a problem finding them amongst our parents whether they be new to the role or a seasoned veteran, to support our girls and the team.

This has made the role of Team Manager a lot easier to manage, with Wayne and De'arne sharing the role. Amazing people and team managers thank you once again !

In closing, thanks to the whole team on helping host a very successful after match event with tasty chips and gravy, fried rice and chicken nibbles. The last-minute rush to buy extra chips and then selling out was a telltale sign that we had provided a big hit this year.

We're looking forward to seeing all our families back next year to enjoy your company, the support of the club and girls in another season of football.

BLADES OF GLORY UNDER 17.5 FOALE COACH'S REPORT

2022 Div 2 Premiers! What a year it has been for the Blades of Glory U17.5 Foale team, an amazing way for a lot of our boys to complete their junior football journey and their time with the Hawks.

The season began at the start of February with an intense pre-season program, which included all the senior boys from the club from U14 to U17, with 2 conditioning sessions each week in the summer heat, running and strength activities with a little bit of fun (some great tug of war battles). At that point, we had around 30 players registered, and were undecided if we could secure the extra numbers to get 2 teams in the age group. All the boys reached out to a lot of their former teammates, and put the squeeze on, and by the end of March, we had over 40 boys in the age group and were able to field 2 teams in separate divisions.

Our journey began with a combined u17.5 squad in the traditional Rovers practise match, which was a great opportunity for some friendly competition and banter between both clubs, it was a spirited fast game where the Rovers came out on top. Our squad was then finalised, and we began our season in Division 2 with losses in our first 2 grading games, however, more importantly we also lost Harper Vicic to a season ending Knee injury. The boys rallied for Harps, and we found some form in the next 2 grading games with big margin wins over Bentleigh and East Brighton Caulfield which secured our position in the division 2 league. Both wins were achieved by relentless pressure and exceptional transitional ball movement. Harper was consequently elevated from the injury list to take on the assistant coaching role, and he led the boys to a big win in round 5 against Murrumbeena, who had beaten team McCluskey the week prior in division 3. Unfortunately, we got hit with further injuries throughout that period, losing Brady Pensa, Sebastian Schenk and Patt Bunning for extended periods, our squad of 23 was down to only 20 fit players. Compounding our challenge was the promotion of Connor Riley into the Oakleigh Chargers Nab league squad, ruling him ineligible to play for the Hawks for a number of games, it was awesome for Connor's football development and a highlight for the boys to see a well-loved teammate running around in the Nab league.

The next stage of the season wasn't great for the boys, with the losses to player numbers, we were fronting up to games with only 16 players, often relying on players from other age groups, or from Team McCluskey, to fill in to ensure we avoided forfeits. Despite playing with the right intent, and working hard, we lost the next 4 in a row, to fall from 2nd, to bottom of the ladder and put our season in doubt.

Over the extended school holiday and bye round break, we regrouped, our boys reached out to a number of retired players, to strengthen our numbers, allowing us to have a bench again, which became a valuable asset. We were able to rotate players, and we had options for opposition match ups and changes in games. As injured players started to return, our form improved, and we managed to go undefeated through the back half of the season to secure a finals spot finishing 3rd on the ladder.

The finals series has been one to remember for the boys, 5 goals down in an elimination final against Caulfield East Brighton, we rallied, got the lead, only to give it up with 3 minutes left, we then scored the last 2 points of the match to secure a 1 point victory. Onto the prelim final, where we jumped Mordi Brae (the only team we hadn't beaten all year), getting out to an early 3 goal lead, the game then swung with the breeze and mordi brae had the lead at halftime. We played a blistering 3rd qtr, to take a 2 score lead into the last change, kicking into the breeze in the last quarter. Mordi Brae had the running early, and our defence was under pressure however they were standing up, Mordi eventually wrenched the lead from us, and we trailed by 3 points with about 2 minutes on the clock. Then after a continuous bombardment into our forward half, and an amazing 5 bounce run down the wing by Luke Camerotto, Pat Warr took a screamer of a pack mark, and duly slotted the major from 25m, with 10 seconds to go and send us into the Grand final with a 3 point win.

The big dance was an outstanding display of team football, from the very first bounce. The boys dominated general play and the pressure we applied was extraordinary, and it was just too much for Bentleigh to handle. We outworked them on and off the ball, and capitalised on our opportunities, despite a last quarter challenge, we ran out comfortable winners by 28 points to claim the division 2 premiership.

Through this journey, we have made lifelong bonds and memories that we can all share for years to come. It's been a privilege to coach at the Hawks and be involved with this group of young men as far back for some as their first season of under 9's. Good luck to all the boys, wherever their football journey takes them, thanks for the ride.

Go Hawks!

BUILT THICC TRAINING UNDER 17.5 McCLUSKEY COACH'S REPORT

Season 2022 brought with it differing elements for our group of boys, predominantly being very positive ones. Pre-season started well with the clubs first combined sessions, catering for the older age groups Hawks teams, whom all trained together as a group. A great experience for all involved. That provided a great opportunity for our boys to guide and mentor some of our younger Hawks through those pre-season sessions. Only a few weeks prior to round one, our team numbers were hovering around 15 or 16 boys, that soon grew with the recruiting powers of a few of the boys. We ended with quite an eclectic mix of young men, some of which were new to the club, some new to the sport and some that have been Hawks for their entire junior careers.

After some significant injuries and a mixed set of results during grading period we settled in Division 3. From there, and with the late addition of a few players and the eventual returns from injury, our boys didn't look back. The development both individually and as a collective grew with each game and was plain for all to see. On several occasions, the boys enjoyed big wins and on a few others were challenged significantly by opposing teams, with our boys prevailing with sheer determination and teamwork each time. Finishing the season as minor premiers winning all games after grading period. An amazing effort.

That resulted in a finals appearance for our group, The first of which went according to script and despite being down to 17 players for a quarter, our boys ran out winners and earned their place in the Grand Final. That game involved the same two teams, but the result was disappointingly reversed. Unfortunately, our boys put in an out of character ordinary performance on the day it mattered most and subsequently missed out on a premiership, in what for nearly all of them, is their last junior football year. Nevertheless, for a group that have never played together before and not even for a whole season, to have such a stellar year is something about which they should all be proud. Our entire family and support group certainly is.

A huge thank you to that group headed by our Team Manager, Simone Withington, who has been the glue that has held our group together, Nick Thompson who was both our Assistant Coach and Runner all year and pretty much ran game days, our trainers Rohan Harman, Dan Sherwin and Carol Williams, Goal Umpires Ashley Isbel and Richard Dennehy, Time Keeper Diba Agahi and all the other family members that filled roles during each game throughout the year. Of course, John Boccari for his photography, delicious meals and general enthusiasm and support for the whole group.

Most importantly though to the boys. A fantastic group of young men. I have been most fortunate to have watched and coached some of you over the years and witnessed your football and personal growth over that time. Every one of you are a credit to yourselves and your families. It has been an absolute pleasure and honour to have been a small part of your football journey thus far and I thank you all for allowing me to be included in it.

MESSAGES & MEMORIES

Ask your coaches, support staff, team mates and parents to write special memories here to look back on in years to come.

Theme Song

Yankee Doodle Dandee

We're a happy team at Waverley

We're the Mighty Fighting Hawks.

**We love our Club, and we play to win,
Riding the bumps with a grin
.....at Waverley.**

Come what may, you'll find us striving

**Team work is the thing that talks,
One for all and all for one**

Is the way we play at Waverley.

We are the Mighty Fighting Hawks
