# PRESIDENT'S REPORT 2023

Dear Club Members,

I am thrilled to share the final President's report in my first year as the club's first ever female President at the helm. It has been an incredible year, and I want to express my gratitude to all who have supported the club and contributed to our success.

First and foremost, I would like to thank our sponsors for their unwavering support in 2023. Your generosity has been instrumental in helping us achieve our goals and continue to grow as a club. We hope to see you all back in 2024.

To the parents of our young athletes, thank you for entrusting us with your children's development. Your support, both on and off the field, has been invaluable in creating a positive and nurturing environment for our players.

I'm delighted to report that our club continues to remain strong both on and off the field, and we've had an outstanding season filled with memorable events and achievements. Fielding 15 teams in 2023 including three girls' teams in the U12, 14 and 16 age groups, a strong U8s team and two teams in both the U13 and U17.5 age groups. With around 350 players we're in a great position to continue to grow that number year on year.

Proudly our best season yet for results with nine teams making finals out of a possible 12 that qualified, and five making it through their first week of finals. Three teams made grand finals U12 girls, U13 boys and U14 boys which was fitting given all three also won the minor premierships in their division, finishing on top of the ladder. Unfortunately, the U13 boys narrowly missed a premiership by one kick in the end. A huge congratulations to our Premiers our U12 girls who had a very convincing win and our U14 boys who rounded out the final's series with a win and back-to-back Premierships. I couldn't be prouder of the dedication and passion our players have shown on the field. Our achievements this year, are a testament to their hard work and commitment.

Our club has been fortunate to have some incredibly talented girls and boys who have represented us at various levels, including interleague competitions, next generation academies and Victorian All Nations and State School Championships. Their dedication and skill have shone brightly, bringing pride to our club, themselves and their families and we're positive there's more success to come.

Throughout the season, we've organised and enjoyed some successful events, beginning with our registration day, season launch & jumper presentation night, our major fundraiser, our cocktail party, where we raised \$15,000 and presented some outstanding recipients with our Club Awards, our PINK round raising around \$9,000 for BCNA, our B&F "Brownlow" presentation night for our U17.5 boys and our season finale, our presentation day. These events not only strengthen our sense of community but also provide our players an avenue to showcase their talents and connect with one another on and off the field by providing them with the best facilities and opportunities.

A special congratulations goes out to our oldest boys who are now graduating from our junior football program. Special thanks to Matt Foale and the team of players and parent group, despite not advancing to the second round of finals this year, have completed their football journey admirably and have been true champions of this Club. We wish them success as they move onto new opportunities and anticipate their participation in the U19s next year to continue their passion for football. Remember you will always have a home here at the Waverley Park Hawks, as a past player, an aspiring Coach or Club President, I wish you well in your life's journey both on and off the field. Big thanks to Coach Matt Foale and Chris Warr his TM for their commitment, devotion, and loyalty for 10 plus years.

Lastly, a big shoutout to all our committee members, to our Auskick Co-Ordinator Aaron, our Child Safety Officer Renae, our Footy Ops team, Brendan, and Shane who have put in countless hours behind the scenes to ensure the smooth operation of the club. To our Committee, Sub-Committees and Committee Liaison Members (CLMs), your dedication and leadership, your tireless hard work and dedication to help run this club in your "spare" time all year round is simply phenomenal. I couldn't have done it without you and appreciate everything you do.

As we reflect on these achievements over the 2023 season, it's clear that our club is more than just a sports organisation; it's a community that fosters talent, friendships, and lifelong memories.

My gratitude to each and every one of you who has contributed to our club's success, from players, coaches, team managers, team officials, to parents and volunteers. Your dedication is the cornerstone of our achievements, and I am excited about the bright future that lies ahead for our club.

As we look forward to the future, I am confident that our club is in excellent shape, and I am excited about the prospects ahead. With your continued support, I have no doubt that we will achieve even greater heights in the years to come.

Michelle McCluskey, Club President

GO HAWKS!!!

## AS TECHNOLOGY UNDER 8 SANO COACH'S REPORT

As I reflect on the incredible journey of this season, I am filled with immense pride and gratitude for what our under 8 team has achieved. It has been an honour to coach the boys through their first steps in the world of football. This year marked my debut as a coach, and I couldn't have asked for a more dedicated and resilient group of players. The majority of our team were new to football, many coming through the Auskick ranks but some completely new to the game. I'm so grateful to the club for being given the opportunity to coach the boys and help provide an environment that was fun and helped nurture their skills and love of the game.

Our journey began with a series of challenging grading games in the under 9 competition. Despite facing some tough opponents, our team displayed unwavering determination and a willingness to learn and grow. These early experiences tested us and laid the foundation for the rest of the season.

The turning point came when we made the difficult decision to move the team to the under 8 competition. The transformation was remarkable! In the face of initial difficulties, the boys showed incredible improvement, both individually and collectively. It was heartening to witness their perseverance and emergence of their self belief. The boys embraced this change with such enthusiasm and displayed an exceptional level of skill, teamwork, and sportsmanship. Their hunger for improvement was palpable, driving us to devise new drills and exercises that would challenge and nurture their growth. Winning every game bar one in the under 8 competition, was a testament to their hard work, growth and dedication.

None of this success would have been possible without the tireless efforts of many individuals who contributed to the team's accomplishments. I would like to extend my deepest gratitude to my assistant coach Aaron and our band of merry men; Michael, Troy, Dave and Pete, your guidance and expertise was invaluable throughout the season. Your commitment to the team's development was truly inspiring.

To our field umpire, Aaron, you had the hardest job of all and did an incredible job every week. I would also like to acknowledge the indispensable role played by our team manager, Felicity, who ensured that every logistical detail was taken care of, allowing us to focus on the game and coaching the boys. Your behind-the-scenes efforts did not go unnoticed and were essential to our success.

Thank you to the Anthony and Candice Reinke and AS Technology for supporting our footy club and sponsoring our team. Finally, I want to express my heartfelt appreciation to Brooke for being our team photographer and to all the volunteers who selflessly gave their time and energy to make our football team function smoothly. Without your help with timekeeping, assisting in the canteen, goal umpiring and first aid, our boys wouldn't have been able to play each week.

As we look ahead, I have no doubt that this group will continue to shine brightly. They have experienced the highs and lows of the game, learned valuable lessons about teamwork and resilience, and hopefully started to build some lasting friendships that will extend beyond the football field. Bring on 2024 - GO HAWKS!

## **GMR MECHANICAL SERVICES UNDER 10 BLACKSTOCK COACH'S REPORT**

The 2023 Under 10 Team Blackstock have had an excellent season.

Coaching this great group of kids has been an absolute pleasure, and the focus and enthusiasm they brought to training and game day every week was great to be a part of. It was great to see so many familiar faces from last year as well as welcome a number of new players who all seamlessly fit into the team.

With a full squad at our disposal and a productive pre-season under our belts, we were all eagerly anticipating the start of the season. While it was clear that our boys had made significant progress, we also noticed that the opposition had stepped up their game, resulting in a few early losses. However, to the boys' credit, they never lost their determination and always gave their all until the final siren.

Our coaching approach this year was simple, with one primary objective drilled in each week: "GET THE FOOTY!" We believed that if we focused on being the first to the contest, everything else would fall into place. We continually emphasised that as long as we persevered and maintained our effort, the results would eventually come.

Week by week, the margins in our games grew narrower, and after a couple of closely contested losses, we secured our first victory, a great achievement and well-deserved reward for their hard work. With the win behind us, each subsequent performance saw us grow stronger.

For me, the highlight of the season was the Lightning Carnival. Knowing it was the boys' last year participating in this event, our primary message was to enjoy the day and have fun. However, it was clear that the boys also had another goal in mind: to win! It was a fantastic day of hard-fought footy, with two impressive wins and a close loss in the final game. I couldn't have been prouder of how far they had come and the effort they had put in. It was a fantastic way to cap off the season.

I also feel incredibly fortunate to have such a supportive and dedicated group of parents behind us. Your assistance, whether during training or on game day, has been invaluable in ensuring everything runs smoothly. We truly couldn't have done it without your support, so thank you. A special thanks to our Trainer, Carmen, for keeping our boys safe week after week.

To our Field Umpires, Darren and Ian, a huge thank you. I know it's one of the toughest roles out there, and you did a fantastic job week in and week out. Similarly, to our Goal Umpire, Mark, a massive thank you from all of us.

To our Assistant Coach, Rikki, and our Runner, John, thank you for your support both during training and on game day. It truly was a team effort this year, and coaching alongside you both has been a fantastic experience.

Lastly, a big shoutout to our team manager, Tracey. Your tireless work behind the scenes and on game day is really appreciated.

Congratulations to everyone on a highly successful season, and I look forward to seeing everyone back next year.

**GO HAWKS!**

## **CHELSEA PVC & ALUMINIUM UNDER 10 BOWEY COACH'S REPORT**

As a first-time coach, I firstly want to thank the parents of my Under 10 boys this year, the trust, support, and understanding was very much appreciated. Made my job so much easier and enjoyable knowing I had your support. The willingness from all the parents to help each week was unbelievable; I couldn't have done it without you. We didn't quite have the success on the field we would have liked, but off the field, I believe we had a very successful year.

To our Assistant Coach Matt Quinn, your help at training and game day was essential to our success, the boys enjoyed hearing a different voice. Matt then went into Umpiring the last half of the year. Kristian Dow, our Runner, was great on game day, doing the warmups and getting them fired up ready for a big game. Also was excellent at relaying my messages in a softer approach. James Mather and Dom Barker did our Field Umpiring for the first half of the year and then Dom went into the Assistant Coaching role. Was awesome to get Dom's input and was a great help in moving the magnets around. And to Gary Georgios, the Trainer, lucky for us he was a spectator for most of the year with only a few minor injuries on game day.

To our Under 10s, I couldn't be prouder of them. Every week, training session or game day, they improved individually and as a team. We had a clear focus, that was to get the ball first, and if you didn't get the ball first, tackle hard. Training was organised around getting the ball and giving it to a teammate. Also, when training, we wanted to train as if it was a game and focused on running fast when marking and kicking.

It was fantastic to see the improvement no matter the result, the boys never gave up and played right until the final siren. Each week the margins would get closer, if we keep giving 100% effort the results will come. Credit to the boys, their commitment and ability to play to team rules, paid dividends towards the back end of the year and we won 3 games. Lost a couple of those games to quality opposition but could definitely hold their heads high as it was some of the best footy, we played all year.

Lastly, to our Team Manager Leah Quinn, what a fantastic job you did all year. It's the hardest job. There's a lot of work both behind the scenes and on game day and we appreciate all you do to make sure everything ran smoothly.

Well done to everyone on a successful season and I look forward to seeing everyone back next year.

Thanks, your Coach Matt Bowey

## **GMR MECHANICAL SERVICES UNDER 11 IGNATENKO COACH'S REPORT**

And that wraps up another year of footy. Being my third year of coaching, it has been an absolute privilege to watch all 24 young fellas grow into their boots over this small part of their footy journey. Each and every one of our players should be extremely proud of the way they conducted themselves on the field, with their determination and appetite to improve but also the way they represented themselves off the field. A hand shake and a thank you initiated from an under 11 at the end of training or a game is a pretty special moment for a coach.

With an up and down year on the field, it has all been positive off the field, with friendships being cemented and the maturity of these young men constantly being put on show. With U/11's being our first year where they can score and tackle, the boys were pumped to start the year. Our grading was quite lop sided with a win and some other results which meant we were thankfully regraded. There were some terrific performances from our playing group throughout the year however our consistency wavered a little which resulted in us missing finals in the final home and away game.

Firstly, I have to call out our Stalwarts in our backline, led by Ray and very well supported by Isaac, Brock, Ben and Jalon. They did a terrific job all year holding strong with a lot of attention in that part of the ground.

As a coach you can always tell the boys who have been practicing their kicking in the off season and in between matches. Max, Ted and Dan (who kicked some ripper goals) showed and demonstrated this throughout the year. Obviously having game time makes a huge difference with Isaiah, Finn, Nick, Jake and Nicolas all realising their capabilities throughout the season. There were some players who I was confident to throw in different parts of the ground all year who I could always rely on such as Harry, Leo, Taj and emerging talent Mason. We were very fortunate to have some quality mid fielders who often made a difference in the middle thanks to the likes of Ollie, Emmett, Lucas and Aansh.

One of my favourite things to see as a coach is 2nd and 3rd efforts at a contest. Cory, Liam and Mike week in and week out showed they had the determination to fight at every contest.

A big thank you and massive shout out to our Team Manager's Cazz and Brodie who made everything so easy all year! My assistant coach Tim for his support and being by my side and the constant advice from our runners Matt, Ant and Benn, our trainer Rob, goal umpires Paul and Mark, our boundary umpires Adam and Carmine and all others that contributed to our boys getting on the ground.

We are a great team (parents included) and I can't wait to see our boys run out next year and belt out the Hawks song!

## ELEGANCE TILES UNDER 12 PHIBBS COACH'S REPORT

The U'12s continued their development in their footballing journey by improving their individual skills and game sense as well as their team chemistry and cohesion. We had a core group of players returning from the previous year and we welcomed to the club a number of new and returning players. We started the year against Prahran, with the boys' effort, intent and attitude making everyone proud despite going down in a tight and hard contest. A pleasing aspect of the day was Thomas Turner making a successful return to the field after a significant injury and winning the ANZAC medal for his performance. Some good wins followed against St. Peter's, Brighton Beach and East Malvern as well as a close loss to East Sandringham.

After the rounding games were complete, we faced a reality check against a Port Melbourne Colts team who had just come down from a higher division. To the boys' credit they never gave up and continued to run, chase and pressure until the final siren. The winter months hit hard with illnesses and other commitments making it hard to fill a full team and although competitive, we went down in four out of five of the next games against some very good opposition. After getting through that tough period, we started to come together as a group and played our best football of the season. A comprehensive win against East Sandringham was followed by one of the highlights of the season. Down by 15 points against East Malvern, who were our main competition for fourth spot, the boys played an amazing last quarter that won't be forgotten in a hurry. With confidence growing and newfound belief, we had two fantastic wins to close out the home and away season against East Brighton and Prahran to seal our spot in the finals. It would be our third meeting with top team Port Colts and the boys well and truly matched them for a half. In the end Port were too good, but the intent, effort and endeavour showed by all players should be commended.

The development and growth across the season by all players is a testament to the boy's commitment and determination and holds the group in good stead for the future. That development was evident with Joel Quinlan continuing to take his game to a new level with his aerial marking, ability to find the football and team attitude. Cristian Sofocleus displaying excellent skills, pace, and a great goal sense. Kai Phibbs continued to take the game on with his long runs and penetrating left foot kick. Zac Rennison took another step forward with his attack on the football and goal kicking prowess. Jack Gifford developed into a consistent key position player, as well as going into the ruck and giving our midfielders first use. Daniel Melhem was our rock down back and showed his versatility by going into the midfield. Aayan Surani was dangerous down forward and continued to pop up in the right spots. Alex Saleeme made some telling contributions as a key defender, while Beau Sheehan-Warren's transformation into an integral part of the backline was testament to his attitude and determination.

Che Alahendra was so important in the game against Prahran repelling many attacks. Cristian Rico played the role of a wingman to perfection and his attack on the football is first rate. Jake Monaco was like the Energizer Bunny with his relentless work rate and determination to get to the contest. Dylan Toohey was able to improve as a player with his strong presence at ground level and Jarryd Urban was our number one grunt player and got as going a number of times, none more so important than his attack on the football and goal against East Malvern. Thomas Turner become our important swingman, by holding down full back, but going forward when we needed a contest and a goal. James Guarino was probably the find of the season, with his attack on the contest, crunching tackles and explosive pace. Jayden Gorsovski continued to grow in confidence throughout the season and played a key role at centre half back. Gianluca De Caro was dangerous up forward with his elusiveness, while Luca Spada continued his development as the season went on and was the ultimate team player. Mason Kenny-Hyde in his first season of football got better as the season went on and Thomas Bishop played an important role up forward with his leading and presenting. Noah Szabo was a terrific addition and was a vital part of team with his intensity, contest work and strong tackling.

I would also like to thank the U'11 players who filled in during the year. Taj Phibbs, Cory Rennison, Emmett Webb, Harry Ignatenko, Brock Cranston, and Aansh Pandya.

In finish I would like to thank all the parents for their support throughout the season. To Andrew for your support, assistance and knowledge of the players was greatly appreciated. To Damian for your help and in particular board work which was a vital part of the coaching set up. To John for filling in as an assistant coach and providing another voice. To Demos & Marie for trainer duties during the season and all other parents for filling volunteer roles. To Liz for her support and role of manager, I am truly grateful and appreciate your tireless efforts.

Congratulations to all on a successful season and I hope to see all players and parents next year.

## **HUNGRY HAWKS (BOSDRIESZ FAMILY) UNDER 12 GIRLS CZOSNEK COACH'S REPORT**

The 2023 footy season seems to have flown by in a blink of an eye, but at the same time, it seems so long ago that our U12 girls started their journey towards the Big Dance. We commenced the year with four very convincing wins during the grading games and then madly recruited more girls to make sure we had enough players to fill our team. Happily, during this scramble we welcomed Nora back to football and Davina re-joined our team. Harlee and Heidi also re-joined football after a year off, and we welcomed two new players, Ava and Elexis.

In addition to our new and re-joining girls, we had a core group of senior girls (Anika, Sofia, Elsie, Stella, Belinda, Amelia, Emily, and Georgia) and U11 (Sadie, Teah (never shall those two be parted), Mirabella and Alex (two more who are often joined at the hip!)). Our more experienced players combined well with the new and returning girls to form a very solid football team and a lovely group of girls to coach.

The girls had a very successful season, finishing minor premiers at the end of the home and away season with ten wins and one draw. They did not finish in this position through sheer luck, they worked hard on improving their skills, contributing their thoughts and ideas on how we could improve our game during every match, and displaying a real passion for their football. Throughout the year, many events were also organised for the girls that aimed to improve their skills and enjoyment of football. This included pizza nights, a girl's tackling evening run by La Trobe Uni, and a special training night hosted by the Mazenod girl's football coach. Thank you to those at the club who made this possible.

Our season finished on a beautiful Sunday morning, playing Port Melbourne Colts in the Grand Final. Every single girl played their role in that game, which culminated in a very convincing and comfortable Hungry Hawks victory. I'm proud of what this team has been able to achieve and happy the girls didn't get ahead of themselves and really switched on to play their best football in the finals. Well done girls, you deserved the win!

My job was made very easy throughout the year with the help and support of my assistant coaches Lucy and Anthony. I'd particularly like to recognise Lucy's work with the team. Her family sponsored the Hungry Hawks this year, and in the lead-up to finals, Lucy organised and ran extra training for the girls. The WP Hawks are very lucky you joined the club this year, Lucy. I hope other senior players also consider taking on a mentoring role as you have done. I know for the U12 girls, your presence in our team has been invaluable. Anthony, you were the perfect person to stand on the bench for a team led by women. You never tried to take over, even though you were probably much more experienced than me (although Lucy might have you covered). Thank you for your help and support this year and I wish you luck in keeping those U12 girls under control next year!

Thank you also to Kim, Amanda, Mark, and Belinda who took on key volunteering roles throughout the year. To all the families who volunteered their time, helped in the canteen, kept score, or cut oranges and supplied lollies for the girls, thank you. Finally, as with many teams, our unsung hero is our Team Manager, Adrienne. Thank you for keeping us organised and making sure we all knew where we were meant to be, and at what time, every single week.

Hungry Hawks I hope you had fun this football season and I hope more than anything you come back next year and bring a friend!

## **MOUNT WAVERLEY DENTAL UNDER 13 DRESSER COACH'S REPORT**

In 2023 I was given the opportunity to coach this great group of boys for the fourth year in a row. Each year we grow from strength to strength as we welcome new players to the group and continue to develop as a team on and off the field. I have formed some really special friendships in this team and respect each of these boys and what they bring to the game. Each player brought something to our group and played a specific role each week.

The season started off well with our team starting in Division 4 and was then quickly -regraded to Division 3. The boys came together and developed each week. They worked hard to support each other and worked as a unit to achieve success. Under 13 DRESSER did just that and were minor premiers at the end of the season. Leading into the finals undefeated, our team was hoping they could achieve the ultimate result and win the Grand Final.

Led by Captain Will Dresser and Vice-Captains Angus Lord and Lachie Cotter, the boys won the Semi-Final and went through to the Grand Final against Mordi-Brae. The team worked hard each quarter and led most of the game but unfortunately went down by a goal. Disappointment followed but the boys were soon reminded of the successful season that they had together.

It has been a pleasure coaching the boys and I have enjoyed getting to know their families. Thank you for your support and belief in what Steve and I were trying to achieve with the boys. To all of the volunteers on game day that took on roles to ensure the boys were on the field playing the game they love – thank you. Without you and your dedication we would not have enjoyed our time so much.

To the boys – thank you for your commitment to our team. Keep improving, developing, listening and enjoying your footy.

Simon Dresser  
Coach

## STEVENSON FINANCIAL GROUP UNDER 13 SUTTON COACH'S REPORT

Season 2023 was my 4th year in a row having the privilege of coaching this outstanding group of young men. We started training a little earlier this year, commencing at the beginning of February, and added Thursday night sessions to our week. The boys were committed from the start and adapted to 2 nights per week well for the first team in their footy playing days.

This year we nominated Captains for the season for the first time. The Captains were voted for by their teammates; Cooper Austin was voted team Captain, Xavier Kelly and Emre Soydan were both voted joint Vice-Captains. All three Captains showed strong leadership at training and lead from the front on match days.

Moving into the season we found ourselves one division higher than previous years, in Division 3, and discovered that there was a big jump in physical size and skill level of our opponents.

It took us a number of rounds to adjust to these challenges. In the second half of the season we enjoyed 2 wins, pushed the top 4 teams to within 2 goals and enjoyed the individual improvement of a number of our players.

It's a huge credit to our group for showing a great deal of resilience and perseverance to never throw the towel in and continue to compete at their hardest each week. Our team has always shown great spirit to rarely go down without a fight. We are an excellent tackling side, our boys listen to instructions very well, we play hard but fair and kept working to improve our game plan and our skills.

Some of our improvement was shown by the players understanding they needed to be accountable for their opponent, the midfielders understanding that they needed to keep up with the play and get to most contests, and the importance of holding our positions; not ball following and getting sucked up to every contest. We learnt the importance of always contesting the aerial ball, even if we're caught out of position. We also improved over the season using our bodies to gain an advantage in the contest.

Individual improvements came from the likes of Riley Mastromanno, who has developed into one of the more dominant ruck players in our division. The improvement of his foot skills and decision making was huge over the course of the season. George Fatouros had a break-out season on the wing and Matteo Spada became a real asset in the backline, getting to more contests and showing great courage. Both of these boys learnt to make smart decisions with their disposals.

Christian Di Somma found his place on the wing during the year and earned himself a game in the midfield for our final round game. It was a stand out performance that not only helped us to victory but should also lead to him playing more of his footy there in the future.

Tyce Corcoran made his footy debut this year and made an instant impact to our side. He has a bright future as a centre-half forward/ruck player. Ethan Trumble's second half of the season was excellent as he played an in-and-under role in the mid-field, putting his body on the line to earn the footy for his team. Cooper Austin continued his high level of footy performances with an elite midfield effort, regularly being the "engine room" for our advances.

Tyler Battaglia played his usual role as our "tackling machine" across half back but made great improvements to his decision making and use of the ball. Marcus Pirotta was shifted from half back to the midfield this year and was an excellent addition to our on ball unit with consistent run and ferocity at the contest. Emre Soydan played a number of roles for us across numerous positions this year and gave 100% in all situations, regularly dominating his opponent. Mitch Adams was "Mr Reliable" at fullback all season, improving on his use of the ball and accuracy to find a target while Brodie Sutton settled into half back with instant effect.

Once again, the parent volunteers were fantastic for us this year. Thank you to the following people for excelling in their role and always being help that we could rely on; Daniel Kelly (Team Manager), Michael Di Somma (Runner), Merziyah Trumble (Trainer) and the many match day volunteers.

I can't thank Scott Adams enough for his patience and support to myself, and our team, over the last 4 seasons. Couldn't have done it without you, mate.

Thank you to the Stevenson Family for being a great team sponsor: Stephenson Financial Group.

Last but not least, I would like to thank the Waverley Park Hawks for allowing me the opportunity to experience coaching junior footy, closely being a part of my son's footy team, getting to know such great families and being a part of the development of a great group of kids. I'm going to miss it but I hope to still be around the group in some capacity in the future.

## **MULGRAVE PIZZA HOUSE UNDER 14 CARTER COACH'S REPORT**

As we look back at a remarkable season the boys from the Under 14s Carter team, I want to say how proud and honored I am to be able to coach this amazing bunch of boys. This is my first year of coaching and couldn't have asked for a more skillful and invested group. A lot of the group have been around since under 8's, as more have joined the stronger the team became and the friendships have grown throughout.

We started out with a few loses under our belt and found we had a challenge on our hands that everybody in the team was up for. Only starting with 16 players in the first round, the player numbers grew and we started to get wins on the board. We were undefeated throughout the season with all the boys giving 100 percent to make it though to the finals.

Once we got to the first final against Ormond the boys were ready for the task, a hard fought game from all of the boys unfortunately led to our first loss of the season by 1 point. This was not to worry, as when the extra chance came the team backed up and won by 40 points over the Port Saints to make it to the grand final.

For the big game let me tell you the boys did not disappoint. A hard fought 1st quarter in the grand final left the score board at 7 all. 5 minutes into the second quarter the boys clicked and moved into 5th gear, finding vital space and using the running game they bring best to the field. The end result being Waverley Park 7.5.47 def Ormond 3.3.21 to win the premiership. I am so proud of the way the boys held together during the grand final and all the way the through the season. Well done to you boys really, you absolutely smashed it.

Once again it has been an amazing journey and couldn't have been done without the help and support by all the parents and all of the committee at the Waverley Park Hawks football club. Thank you. Also a big thanks to Richard Wickham the team manager making everything run smoothly, Frank the assistant coach for helping out during trainings and game days even when I couldn't make it. Brendan for being the runner and sorting the boys out on the field and to Demos, our trainer, it is a big responsibility and he does an amazing job. Thank you to all the volunteers that have helped out, from the boundary to goal umpiring, in the canteen to timekeeping and escorting umpires we can't do it without everyone pitching in.

Big shout out to Mulgrave Pizza house for supporting us through this year, we really appreciate the support you guys have given.

Can't wait to see what next year brings for this team and to watch them excel in their football careers.

### UNDER 14 GIRLS HIPWELL COACH'S REPORT

Wow, what a year of footy! It was late March when we first started training, slowly but surely, we began to build a team. Over the next few weeks, we gathered 19 players, 2 of which had never played footy and started the season. We won our first game convincingly, with lots of run and carry, the players showing great endeavour for the ball and fast leg speed. Some special tackling coaching organised by the club proved invaluable. With the players now understanding the correct technique, their confidence soared, and the tackle count went through the roof. The added pressure on the ball carrier improved our ability to win the ball back, then play our running game. Over the next month we played our best footy for the season. We had 4 wins on the trot, beating every team in Div 3. Topping up with U12 players when needed assisted greatly, special thanks to Louise for allowing her U12s to play up. After round 12 we were sitting pretty on top of the ladder. The players skills continued to improve, with many working hard on kicking the ball longer more consistently as well competing in the air and holding chest marks.

We needed one win to secure a top two spot and the second chance. Round 13 saw us face St Bedes at home, having beaten them last time we played, we were confident we would be match up well and that it would be close. Up by 6 points at three quarter time, however the St Bedes players came home strong and won by 8 points. Round 15 then became a must win in lock in 2nd spot on the ladder. Up against Oakleigh Dragons, we felt confident after great training sessions the last few weeks, the players getting fitter. They jumped us early and kicked out to a two-goal lead by quarter time, the second quarter was similar, as were looking flat. Some lollies and good break at half time we played a terrific 3rd quarter and got back into the game, however, again were over-run in the final quarter. The loss saw us finish 3rd and we would need to face Cheltenham in the elimination final.

The elimination final lived up to our expectations, a tight hard-fought battle. We stuck to our game plan very well early, with lots of run and carry and where too quick for Cheltenham for the first half, we went into the half time break with a handy 13-point lead. Unfortunately, the Cheltenham bodies got bigger as the game slowed. We fought so gallantly against the much larger opponents but ended up losing my 1 point in extra time. There were many tears shed, but the players held their heads high knowing that they gave 100%. We were extremely proud of their amazing effort. The season had so many close games with 6 of our losses having an average margin of 7 points! The players learnt a lot this year about how to be a team on and off the field. We saw some great leadership from our leaders, along with some hard lessons learnt. Special thanks to the parents for their huge support, always jumping in to fill match day roles. Thanks to Kristy for being an awesome assistant coach, Angela did an amazing job as team manager, ensuring everything ran perfectly. Thanks to Luke for being our runner all year and Amy for being the team trainer and Nicole stepping in to help as well. A wonderful group of people that built a great culture for the players to thrive. We will be stronger and more determined next year. Go Hawks!

- #1 Kinslie: Played some outstanding footy late in season, dashing away with lightning speed.
- #3 Belinda: 1st year playing grew in confidence as the year progressed, was strong in the ruck.
- #4 Scarlett: A great year, big game player, dominated the final with numerous overhead marks.
- #5 Julia: Worked hard all year, won her own ball, great run and carry, kicked 17 goals from mid field.
- #6 Olivia: Played some awesome games, often ran with best shutting them down.
- #9 Louise: Dangerous forward player for us, got better and better.
- #14 Jamie: Represented Hawks in interleague this year, played amazing footy down back.
- #15 Georgia: Went to mid field this year, numerous strong hard ball gets, improved her kicking dramatically.
- #18 Sabra: Brought huge energy to the team, hands getting cleaner and cleaner.
- #19 Layla: Had a great year playing key position backline, got thrown forward for the final.
- #24 Bella: Showed amazing skills all year with huge kicks out of the backline and numerous marks.
- #29 Isla: Developed more and more courage as the season went on, kicking greatly improved.
- #32 Bianca: The spiritual leader of the team, bobbed up for a few handy goals, great season.
- #38 India: Improved greatly during the year, started winning more of the ball and showing great speed.
- #39 Ava: Defended well all year, laid about a million tackles, always happy bringing great energy.
- #40 Annabella: Athletic player, contributed well to numerous games winning more and more balls.
- #41 Alessia: Huge talent, hardly ever got beat in a one on one, kicking continues to improve.

## PREMIER ROOFING UNDER 15 CAMPBELL COACH'S REPORT

As Coaches we are very proud of the achievements of our players and their families in the WPH U15 Boys Team.

Our pre season kicked off back in November 2022 with Park Runs at Jells Park where our boys came in numbers. From there we went into pre season fitness in the heat of summer and our numbers and commitment were again fantastic.

After a very strong year in 2022, it was great to again see so many kids committing to the team and getting along to training and matches.

Our team was again very strong this season with many wins and a few losses along the way. We managed to finish 3rd in the competition which is a mighty effort.

The highlight of our season was our heart and soul win against Ormond in the Semi Final, especially after being beaten by them the week before.

Unfortunately we were not good enough against East Malvern in the Preliminary Final but by any measure, we had a great season with so many positives had by all.

A big congratulations to our milestone players. It is a truly special achievement to play 100 games for our mighty club, especially considering the interruptions of seasons past.

A very big thank you to our Team Manager Nunzio Rossi. Nunzio is an asset to our club and has made such a contribution to keeping our team on the park. As well as that he is a fantastic person who has the kids best interests front of mind.

A further big thank you to Ryan Hammond who attended most trainings and was the team Runner. Ryan's contribution to our club is enormous and he continues to lead the way in volunteering for the betterment of our kids.

We are also very proud of our Award Winners this year. Your leadership, commitment and maturity helped our team be a great place to play footy.

Lastly, thank you to all of the players in our team this year. We have so enjoyed having front row seats to your development as exceptional young men and playing a part in your lives. It has been an absolute privilege to watch you grow and we couldn't be prouder of you all. We will continue to support you all as you head to Under 16's football and to senior secondary school and wish you all every success.

Go Hawks!!

Mick Mastromanno and Matt Campbell

## ROKK EBONY / BUZZY BARBERS UNDER 16 TORCASIO COACH'S REPORT

I would like to begin by expressing my sincere gratitude to the club for entrusting me with the privilege of coaching this talented U16's football team. It has been an incredible journey, and I am truly honoured to have been accepted as the coach. A heartfelt thanks to Brendan Heath for recommending me for this role.

At the onset of our journey, we encountered a significant challenge that tested our resolve, as we struggled to assemble the numbers to field a team. This heavily on our minds, and it was during this critical juncture that Denis, and the entire team, went into recruitment mode, tirelessly working to secure players.

I must admit that we didn't get off to the most promising start, and I, too, shared concerns about our prospects. However, it is a testament to the determination and commitment of everyone, that we were able to overcome the obstacles and forge a team ready to face the season. Before the grading games had begun, I had received advice to use these matches as an opportunity to assess and play in the right division for our team's skill level. To my delight, the team demonstrated their dominance in all three games, regardless of the strategies I employed.

It quickly became evident that our players thrived on competition, relished the taste of victory, and excelled as a cohesive, fast-paced unit. We were initially selected for Division 3 and showcased our prowess by remaining undefeated until the league decided that we should be competing in Division 2. This transition placed us in a more challenging and competitive division, and yet, our team rose to the occasion, performing admirably.

We faced only two losses during this period – one against East Sandy by a mere point in the final moments of the day and another against Brighton at their home ground amidst challenging wind conditions. Throughout the year, our team's performance has been nothing short of outstanding, and each player should take immense pride in their contributions." Over the course of the season, our U16's team has shown remarkable dedication, resilience, and sportsmanship. I am immensely proud of the progress we have made together.

Here are some key highlights from our performance this year:

**Skill Development:** Our players have exhibited significant improvement in their fundamental skills such as kicking, handballing, marking, and tackling. The commitment to skill development has been commendable.

**Teamwork:** One of the standout qualities of this team is their exceptional teamwork. Players have displayed a strong sense of unity on & off the field, supporting each other and working together to achieve common goals.

**Game Strategy:** We worked on our game strategy, both in attack and defense. The players have adapted well to different game situations and have demonstrated their ability to execute strategies effectively during matches.

**Fitness and Conditioning:** Our fitness and conditioning improved significantly over the season. The players showed great determination in maintaining their fitness levels, which resulted in improvements on the field.

I also want to express my heartfelt gratitude to our assistant coach, Denis, for his unwavering support and dedication to the team. Denis has been a loyal servant of the club and has shown a genuine care for the well-being and growth of our boys. His contributions both on and off the field have been invaluable, and I'm truly fortunate to have had him as a part of our coaching staff.

Thank you to Hayley, our tireless trainer, for her exceptional commitment and support. Hayley's dedication has been unwavering, as she attended every training session and only missed one game due to sickness. Even in her absence, her presence could be felt from the other side of the ground, as she continued to support the team as always. Her contributions to the team's well-being and performance are greatly appreciated.

My heartfelt gratitude also goes to Laura and Desmia for their exceptional roles as Team Managers. Throughout the season, they never missed a beat, ensuring that our team's logistics and operations ran smoothly. Their dedication and attention to detail have been instrumental in our success this season. Thank you, Laura and Desmia, for your tireless efforts and unwavering support. I've enjoyed getting to know each one of you throughout this season.

It's been an incredible journey, and I've had an immense amount of fun along the way. Building relationships with such a fantastic group of young athletes has been a highlight for me. As we wrap up this season, I want you to know that we have unfinished business as a team. I'm eagerly looking forward to reuniting with you all in the preseason, where we can continue to grow, improve, and chase our goals together. Remember, the journey is just as important as the destination, and I'm excited to share it with each one of you. Go Hawks! With appreciation and excitement for our future together.

### **UNDER 16 GIRLS KLEIN/COGDON COACH'S REPORT**

The U16 girls kicked off the 2023 season in winning form, with an average winning margin of 36 points in their first four matches in Division 2.

The results showed how well the team had gelled in the preseason, with nine players having moved up from U14s, three U16 players going around again and 12 brand new players, including many who had not played footy before.

Led by co-captains Eliza Klein and Shelby Vicic and vice-captain Zoe Wright, the U16 girls dominated their Division 2 opposition, sitting undefeated on top of the ladder at the end of the grading phase.

Our backline was impenetrable, with Shelby, Tabita Sutharan, Gemma Patane, Alicia Basham, Ashleigh Whitfield, Summer George, Claudia Blangiardo and Paige Bretherton leading the way. They also provided plenty of run out of defence, creating opportunities further up the ground.

Zoe, who did a brilliant job shouldering ruck duties for much of the season, dictated terms in the centre, supported by our hard-tackling, hard-running, skilful mids, Jade Gundry, Eliza Klein, Lucy Andrackze-Bosdriez, Daisy Robinson, Elissa Rankin, Heather Cassidy and Suzie Alexiou.

Our newbies showed they were right at home in the Hawks lineup from the first game. Elena Petrousis, Madi Mitchell, Chloe Goncalves and Aneeka Messina injected some real speed, while Grace McDonald proved a beautiful finisher, Jessie Gifford was a lively forward target and Livinia Hall and Shantel Crosher brought a mountain of pressure.

Our early winning ways earned us promotion to Division 1, making us the only Waverley Park Hawks team to play at the top level in the 2023 season.

While it was a big step up, the players did themselves proud with their determination and commitment. We finished the season with three Division 1 wins, including a fantastic 24-point victory against the East Brighton Vampires under lights on a Friday night in Rd 13 and a 31-point smashing of Ajax in the final home and away match.

We went down by single-digit margins in three other games, proving the Hawks could push the best footy talent in their age group in the SMJFL and establishing our reputation as fierce but fair fighters.

While losses can be hard to swallow, the players continued to work hard on the training track and gave their all every time they took to the field. The improvement we saw in each player across the season was extraordinary. But even more rewarding was watching the girls play for each other and hold their heads high as a team.

## MAZENOD OCFC UNDER 17.5 FOALE COACH'S REPORT

2023, the bonus year for the boys! With the change in age qualification for the SMJFL, we had the opportunity to celebrate one more year as Hawks. From the very first full senior club (U14-U17.5) combined pre-season session, right through to the final siren of the elimination final, we celebrated everything and every member of our team. The cheering, chanting, singing and comradery was amazing. We welcomed back Harry Sherwin and Dan King from the broader squad of 2022. We had former Hawk Oliver Arnott return to the club, and welcomed new players, Lucas Henkul, Marcus Cowan, Rhys Mullavey and Jack Meyers, all of which fit magnificently into the group.

Our journey began with 2 combined u17.5 age group practise matches, this was a great opportunity for the 1 team 2 squad approach of the senior age group of the Hawks. As the season approached and numbers grew, we were able to finalise our squads. We opened the season with 3 close losses in the grading phase against Ajax, St Bedes, and East Brighton. Before 2 resounding victories over Prahran and St Peters, which secured our place in division 2.

The first phase of the home and away season saw us win 3 and lose 1, before the July school holiday break. We played some inspired football, and dominated our opposition, albeit inconsistently from week to week, and we were unable to maintain our high standards for 4 quarters in most games. After a big win over St Peters in round 5 after the holiday break, we sat on top, by 1 game. Our football had been the best in the competition to that point.

However, injuries to key players disrupted our mid season momentum. Harper Vicic, Pat Warr, Seb Schenk, Pat Bunning, Lucas Henkul, Cameron Foale, Harrison Couttie, Brady Eva, Callum Thompson, Luke Camerotto and Rylie Gordon, all found themselves spending large chunks of the season on the sidelines. Despite the injuries, the boys continued to work hard, maintaining their positivity, focus and team spirit. We went on to narrowly lose the next 4 in a row and drop out of the top 4. Needing a football miracle in the last round to close down a 140 point scoring differential versus Ajax in 4th.

As is this teams never say die attitude, what unfolded on that sunny Sunday afternoon at Columbia was nothing short of amazing. The boys played an inspired game, and worked at a level unseen all year, as we aggressively chased down the percentage required to grab a finals berth. Despite St Peters playing an 8 man backline and hitting the boundary at every opportunity, we secured our largest win of the season, a massive 116 point victory. Just short of the required margin. Back in the change rooms, as we commiserated, and celebrated the season that could've been, we learnt that Ajax had lost by enough for us to jump them to into 4th spot. The lid was off, the music pumped and the boys celebrated, there were high fives, hugs and tears, it was an incredible euphoric atmosphere. This is one of those moments, these boys will remember forever.

Unfortunately, in the elimination final, despite a blistering start and early 4 goal lead, we ultimately found East Brighton too strong, as they ran away from us in the last quarter to win by 3 goals. We had our chances, we gave it all we had, however, the injuries, during the game and throughout the season ultimately impacted our ability to play at our best for long enough to get the job done. Despite the loss, the boys should be super proud of their efforts, and the way they played together to get the best out of themselves across the entire year.

We have been extremely lucky to have one more season together at the Hawks, and I feel privileged to have been able to coach these talented young men.

Good luck wherever your football journey takes you. Go Hawks!

## K&IE TRANSPORT UNDER 17.5 RICE/HUGGINS COACH'S REPORT

It has been truly enjoyable being the coach of this team and an honor to be involved with such a great bunch of young men. It's been a memorable year and I am very proud of the boys and what we've achieved this season.

During the pre-season we were unsure if we would get the numbers we needed to make a second competitive U17.5 team. We had a strong core of committed players from our U16s cohort, and as the season neared, we were relieved and pleased to recruit a few higher-age players into our team such as Caleb, Savio and Pyit, as well as new players to the team and Club such as; Isaac D, Kyle, Nick Ma, Ryan, Brendan, Anthony and Omed.

With the addition of the new players to our group, we had a great mix of speed, strength, endurance, and the height we desperately needed. The group came with a wide range of football experience, however there was good chemistry amongst the team members, and they jelled very quickly. We really didn't know what to expect from our team, however we could see that they had strong camaraderie, a great attitude, a willingness to learn and respect for each other and the team officials.

In our first round against Mordi-Brae, we could see that we had an exciting team with a great attitude, and they worked well together as a newly formed group. We achieved an exciting ANZAC day win, led by ANZAC medalist, Daniel Huggins who had an outstanding game. He exemplified courage and determination which set the tone for our team, and set a benchmark for our team's approach to each game this season.

In the first few rounds the team cast their votes for their Captains and elected Will Rice and Kai Russell as Captain and Vice-Captain and their leadership group included Daniel Huggins, Isac Quinlan, James Montano and Caleb Isbel. We were delighted with the leadership group and having a bunch of committed players that would lead by example on and off the field.

Over the 15 home away games we won 11 games, and in doing so we beat every team except the top placed side, Prahran. We beat the teams that finished 2nd and 3rd on the ladder, and we also managed the lowest losing margin against the clear flag-favourite in Prahran who belted every team in the comp. Our round 15 game was against Prahran where for the first 3 quarters the boys played ferocious football and brought great intensity to the game. They stood toe to toe with them and gave them an almighty scare, but unfortunately, we just couldn't hold on. It didn't matter though, because the way the boys played made us all immensely proud of them and it demonstrated how far the group had come over the season.

We were very pleased to finish 4th on the ladder and make it into finals. Our Elimination Final was against the 3rd placed St Kilda at our home ground Columbia. Again, the lads put on a great show of effort and determination. Our team held a lead for the whole game but fought off a last quarter charge by St Kilda to win by 6 points in nail-biting fashion. This win put us in the Preliminary Final against East Sandringham for a shot to make the Grand Final.

In the Prelim the boys started off very well, again applying their trademark "pressure" football which gave no room for East Sandringham to win an easy possession, and to score goals. We led the scores for the first 3 quarters but then East Sandringham started to find the goals and a lot of momentum. They managed to kick 4 goals in the last quarter to win the game and make it to the GF against Prahran. Whilst we were all dreaming of making it to the GF to face off against Prahran again, we could only be proud of what this team had achieved over the season and making it to the Preliminary Final.

I'd like to thank Matt Foale for taking the lead at coaching our 17.5 group during the pre-season and at our weekly training sessions and I have certainly enjoyed learning from him this season.

2016	Simon Fisher
2017	Tony Ferracane
2018	Anthony Froelich
2019	Dale Pensa & Michelle McCluskey
2020	No Season due to COVID
2021	Alex Vicic & Marek Taborsky
2022	Adam White
2023	Paul Rice & Ryan Hammond

## THE MATTHEW FOALE COACH'S AWARD

*The Matthew Foale Coaches Award is presented to the WPH Coach of the year. This award is given to a Coach who has provided outstanding service and contribution to our club performing the role of a Coach/Assistant Coach over a particular season/s.*

*In its inaugural year in 2023, we are proud to not only present this Coach's Award to its first recipient, Matthew Foale, but confirm it will bear his name for years to come and be awarded to our Coach of the Year at the annual presentation day/season finale.*

**2023**

**Matthew Foale (U17.5 Foale)**
