PRESIDENT'S REPORT

Hi WPH Parents & Players,

What a fantastic season we have just had. It seems like only yesterday that we were busy planning for this season and in the blink of an eye, the season is over and we are now looking forward to 2026.

I am so proud of what we have achieved together in season 2025. There have been so many highlights and so many who have made this possible.

Our key achievement is meeting our clubs goal and purpose, which is to provide an environment where our kids have a safe space to pursue the many benefits sport, social connection and a common purpose of working together towards a common goal.

We accept, welcome and value all kids no matter their size, skill, ability, gender, race or nationality. On this measure, we continue to excel. With generally lower participation rates in kids sport across Australia, our club holds the line, and continues to deliver an outstanding and healthy place for our kids to grow and develop.

As well as providing an amazing place for kids to participate, our club is also a very special place for parents to connect socially. In a world with ever increasing disconnection and loneliness, our club is a welcoming and inclusive place to be. I encourage our members to get involved in any way that they can.

While on field performance isn't our primary measure of success, we have also done very well this season. We were well represented in elite pathways and most of our teams represented in finals and grand finals. We were unlucky not to have a Premiership flag to add this season but we are super proud of the effort shown by all.

Delivering a great club requires a lot of time, hard work, dedication and love from so many people. The true value of our club is reflected in the many who are involved and give their time.

Our great Coaches are the frontline of our great club. They bring their dedication, knowledge and leadership at every training session and game. Our Team Managers keep the teams organised, on track and do a marvellous job of wrangling volunteers. Additionally, there are so many great volunteers that turn up every week as Trainers, Field, Goal & Boundary Umpires, Umpire Escorts, Timekeepers, Photographers and more.

Our club is well supported by our many Sponsors who donate funds, goods and services that help our club to keep our fees low and accessible. We thank our partners such as the Monash City Council for the stellar grounds and facilities we enjoy, South Metro JFL who provide a great competition for us to participate in. We continue to support our pathway relationship with Mazenod Old Collegians Football Club to senior football for those finishing their junior football journey.

Lastly, we have our dedicated and hardworking Committee & Coordinator's who have done so much, and are the backbone of our club. It has been an honour to work with you all to deliver season 2025. Our club is in such a strong and successful position due to the work that you have all put in. My view is that our club is the best junior sporting club that our players and parents could wish to be a part of.

Like all seasons, we say goodbye to those kids and families that have reached the end of their junior football career. We hope that you take advantage of the connections and pathways to senior football that our club offers and you continue your journey in 2026. We will keep a keen eye on your progress and look forward to hearing about your development in life and football.

Thank you to everyone in our great club for season 2025. We hope that you have had fun and enjoyed your time. Please stay safe and enjoy the summer, season 2026 will be here before you know it!!

Mick Mastromanno,
President – Waverley Park Hawks Junior Football Club

5 DEGREE BUILDING DESIGN UNDER 9 DICKINSON COACH'S REPORT

What an amazing year it has been for the Under-9s Team Dickinson!

When we first arrived at training earlier this year, there were around 40 kids on the oval, all eager to play. Straight away, it was clear we needed two teams. And so, we became Team Ignatenko and Team Dickinson. Our team, Team Dickinson, was only put together a week before the very first game. That meant a big scramble to find a team manager, a runner, an umpire, and plenty of volunteers just to make sure our kids could take the field. Thanks to some incredible people stepping up, we pulled it all together.

We trained every Wednesday night, and with 40 to 50 kids between both teams, things could get a little chaotic at times! Some weeks we trained alongside Team Ignatenko, and other weeks it was just Team Dickinson. Training sessions were always packed with fun, games, and plenty of skill work, and it was fantastic to see the kids improve their kicking, hand balling and marking as the year went on.

With players coming from a variety of schools, the team became a great chance to make new friends while sharing a common love of footy. Many of our kids were Under-8s stepping up to play in the Under-9s competition, which could have been seen as a disadvantage, but instead they embraced the challenge. For most, this was their very first season of football, with only a handful returning for their second year which made the improvement and teamwork on display even more special.

When Round One arrived, those first few games were a real learning experience. The kids had to adjust to competition football quickly learning how to tackle, be tackled, handle pressure, and play by the rules. It was a big step up from kicking the ball around at school! But as the season went on, the team grew stronger, more skilled, and more confident every week. Honestly, every player could have won the Most Improved Player medal.

Our second-season players (Asher V, Miles, Wrishaen, Jett, Charlie, Isaac, Ethan, and Sasha) stood tall as leaders, guiding the first-year kids and showing them the way. Their leadership and teamwork were outstanding, and I couldn't be prouder. Our first-year players (Zane A, Lochie, Asher P, Jai, Zach, Corey, Isaiah, Aayuthan, Leo, Jayden, Rafa, Stratis, and Zayn M) all made incredible contributions, both as individuals and as team players. Their dedication and determination were clear every single week, and they should all be very proud of what they achieved this season.

A real highlight for all of us was singing the Hawks team song three times this year. The smiles on the kids' faces and the energy they brought to those moments were simply magical. This year has shown us all the value of team sport, not just the skills of kicking, hand balling, and marking, but the qualities of leadership, teamwork, resilience, and friendship. These are things the kids and even us adults will carry forward long after this season.

To our players, families, coaches, and volunteers, thank you. You made this season what it was. And to the kids, congratulations on everything you've achieved. We can't wait to see what you bring to the field in 2026!

WYLLIE ELECTRICAL SERVICES UNDER 9 IGNATENKO COACH'S REPORT

What an incredible 2025 season it's been for our Waverley Park Hawks Wyllie Electrical Services Under 9's. With 11 new faces joining our club, I'm positive our youngest cohort will take away so much from the 2025 season. An unbelievable team spirit, never giving up attitudes, celebrations enjoying every moment and many new friendships which they will keep over their footy journey.

Every player this year brought their own attributes to the team which made us that much better. One thing that they all did together was to bring the fight in every game. With half of our team still eligible for Under 8 (and even an Under 7 player) we were often much smaller and not as physically strong. Not only did our team walk off the ground every game with a smile regardless of a result, but they also learned how to play to their strengths and got better as the season progressed with us playing great footy against the best teams and finishing the Lightning Carnival with 3 out of 3 wins.

A few fond memories looking back at the season.... We were very lucky to have the 2 youngest girls at our club play in our team, Sienna and Sophie, who are both very skilled, fast and smart footballers. Our future girls' teams look promising! Thankfully we had many new talented boys coming onboard as well. Leo, Isaac, Pat, Ayaan and Zayn were all wonderful contributors who, as the season progressed, kept improving and were a major reason for our late season revival.

This year we were lucky to have the talented Nick and Cody Daicos (I mean Dunn) show off their silky skills on the same ground together who were often feeding some quality forwards in Kyle and Tom who were our leading goal kickers for the year.

At the start of the season, we had several young lads, Kai and Luke and were dismayed at half time when I told them there was still another half. That changed when our team spirit kicked in and they found their footy passion. A lot of that comes from playing with such passionate players like Sahan, Axel and Flynn. You know what you get from these boys every game, and it is always 100% effort!

Finally, some of our most improved players who had a lot to do with our late season revival, Lenny, Levi and Lucas. I look forward to seeing them carry their form into 2026. Look out!

A huge shout out to Tam and Scott who made sure all our players were able to get on the ground in a fun and safe environment with our experienced trainer Michael, always on standby looking after our injured.

We were very appreciative of Daniel, our runner who knew the coaches messages before we said anything. Jayson, who is easily the best umpire going around, Adrian, who protected our umpires and Sarah, who has provided all of us with special memories with her wonderful photography. There are many other people I can thank, and you know who you are!

Coaching these wonderful kids is one of my favourite things I do every week so thank you for the opportunity and all your support in 2025!

See you all in 2026! GO HAWKS!

FULL FLOW CONCRETE PUMPING UNDER 10 SANO COACH'S REPORT

Coaching this incredible group for another year has been an absolute privilege. The 2025 season was full of highlights, hard work, and plenty of laughter. The boys continued to build on the foundations from previous years and showed just how much hard work and commitment can pay off.

With a massive squad of 26 players, making sure everyone had the chance to play was a big focus. To avoid anyone missing out, we sent a couple of boys each week to help out the U11s. It wasn't always easy, but it meant every player got valuable game time and the opportunity to develop their skills while contributing to another team when needed, a real credit to the boys' attitude and flexibility.

One of the standout moments of the season came in our final game against Murrumbena. After a slow and sleepy start in the first quarter, we found ourselves a couple of goals down and looking a little flat. But what happened next was nothing short of brilliant. In the second quarter, the boys produced their best football of the year, kicking six unanswered goals! That quarter set us up for a memorable win and summed up just how far this team has come.

Our focus at training this year was on skill development, particularly nailing the basics of kicking and trying to perfect the ball drop. Week after week, the boys worked hard and it showed on game day. Their tackling pressure was unmatched. We were again the hardest tackling team in the competition, but always fair and within the spirit of the game. Perhaps the biggest area of growth was our ball movement. For the first time in my three years coaching this group, they consistently looked for their teammates, linking up with multiple kicks and handballs to create passages of play that made us all proud.

Of course, none of this happens without the incredible people who make our team tick. A massive thank you to my assistant coach, Troy, for his energy, ideas, and constant support. Your knowledge of the game and creative drills were exactly what the boys needed. Adrian, our runner and all-round helper, thank you for never missing a session and always being there to get the boys ready and engaged. Flick, our team manager, you were the glue that held it all together, keeping us organised and making everything run smoothly. Fiona, thank you once again for your incredible photos that captured the heart of our season. Mick and Anthony, thank you for your time and patience umpiring our games. Rachel, our trainer, thank you for always being there and for keeping our boys safe.

And finally, to all the parents, thank you for more than just cheering from the sidelines. Your help volunteering in so many roles, standing out on cold training nights, and turning up early on Sundays made the season run smoothly and created a positive environment for the boys to thrive. We are especially grateful to our new families who jumped in from day one, and of course, thank you to our team sponsor, Full Flow Concrete Pumping, for your generous support.

Finally, what makes this team truly special is its culture. These boys love their footy, but they also love having fun together. From their determination on the field to their random "chicken salt" chant off it, they've formed a bond that goes beyond the game. It's been an absolute privilege to coach them again this year, and I can't wait to see what the future holds for this amazing group.

Go Hawks!

MULGRAVE PIZZA HOUSE UNDER 11 GREEN COACH'S REPORT

Season 2025 will be remembered as the very first year the Waverley Park Hawks fielded an Under 11 Green team – a huge step forward after COVID had nearly wiped out this age group for our club. For the first time in years, these kids were finally able to come together in their proper age group without having to play up or down.

When I put my hand up to coach, I'll admit I was a little overwhelmed. Having only been an assistant coach before, I wasn't sure I could do the job justice. But with the support of our amazing assistant coach, Matt Q, our self-appointed "list manager" Matt B, and a fantastic group of boys who actually listened (and mostly did what we asked at training!), I quickly felt like I could make a real difference. The improvement we've seen this season has been incredible.

When we first pulled this team together, we had 14 players. By season's end, our list had grown to 20. We were also grateful to the Under 10s for sending players up when we needed a boost - those boys made a real impact on the field.

What stood out most this year was how quickly the boys bonded. Despite mostly coming from different teams, and with some playing footy for the very first time (and even one Under 9 stepping up to play alongside his brother), they formed genuine friendships and played with a great team spirit. Even when we came up against teams that didn't always play the game in the right spirit, our boys continued to hold themselves to the Hawks' values — showing fairness, resilience, and respect every week.

The growth in their football was just as impressive. Early in the season, we were soundly beaten. By the final round, we took it right up to the top side who hadn't lost a single game all year... only going down by a single goal. Although we only recorded two wins for the season, the way we pushed the stronger teams proved just how far we had come. I have no doubt that with another year together, this group will be challenging the best and possibly taking it all the way.

There are so many people to thank. Dani, our brilliant Team Manager, who kept everything running smoothly week after week. Karina, our passionate trainer (who may have burst an eardrum or two from the bench!), and Carl, our energetic and enthusiastic runner. And of course, all the other parents who consistently put their hands up to fill the many volunteer roles that make game day happen.

I also want to recognise our captain and Best & Fairest winner for the season, Reed Bowey, who played with fearlessness every week and set such a strong example for his teammates. He always shows great character and leadership - the boys really looked up to him.

Most importantly, thank you to the 20 boys who made up the U11 Green team. Watching you improve, bond, and enjoy your footy together this year has been a privilege. I can't wait to see what this team achieves in 2026.

Go Hawks!

BE HEARD SPEECH PATHOLOGY UNDER 12 GEORGIOS COACH'S REPORT

As we wrap up the 2025 season, I'd like to take a moment to reflect on what has been a fantastic year for our Under 12 boys. The growth we've seen has been remarkable.

Our focus this season was built around positive reinforcement and developing a strong grasp of the fundamentals of the game. From the very first training session, the boys bought into this approach, and their commitment, effort, and attitude made coaching them an absolute pleasure.

On the field, we had an outstanding season, finishing with 10 wins, which is a huge achievement and a true reflection of the hard work the team has put in. We were able to beat all teams bar one. We ended the regular season just half a game off the top of the ladder and earned a well-deserved spot in the finals, which was a great experience for all involved.

Perhaps even more important than the wins was the incredible improvement shown across the entire playing group. Week by week, the boys grew in confidence, skill, and game sense. They played as a team and whether it was tackling, marking, running to space, or linking up play with teammates, the development was clear to see and incredibly rewarding.

Four games were standouts for me over the season. They were winning against:

- Ajax with the last kick of the game by a point.
- Mordi-Brae with only 17 players playing away.
- Murrumbeena (was top of the ladder) by a point and
- Finishing off the season with a final round 75 point win over St Kilda City to secure a finals birth.

The support from our parents and families this year has been amazing. I couldn't have asked for a better group. From early morning games and helping out on the sidelines, your involvement and encouragement has helped create a positive and inclusive team environment that the boys have thrived in.

Even though coaching can be demanding, it was made easier throughout the year with the support key people:

- Assistant Coach - Kristian Dow was there rain hail or shine at each training session and game. As a coaching group we were all on the same page and implemented approaches that aimed to bring the best out of the boys. Whether he was providing new drills or specialised mentoring to the kids. His contribution has been nothing short of outstanding.
- Team Manager - Liz Phibbs. We were so lucky to have someone so organised and experienced to support our parents and kids. A lot of work goes on in the background to ensure everything runs smoothly when team managing, to that end, Liz a huge thank you!
- To our game day support – thank you for your sprinting up and back from the bench:
 - Runner - Dominic Barker and
 - Trainers - Catherine Collins and James Sandlin.

In closing, I want to thank the players for their commitment and effort every week. It's been a season full of progress, learning, and enjoyment. The future looks bright for this group of young footballers and I look forward to seeing them excel in their future football careers.

Well done boys! Go Hawks!

DIRECT PRE-FAB UNDER 12 ROUGHTON COACH'S REPORT

The 2025 season for the Under 12 Roughton team has been nothing short of Phenomenal!

Coming off the back of a 2-point Grand Final loss in season 2024, We started the season and training, focusing on three key important game day tactics. These were Strong Leads, Loud Voices, and Hit your Target! I tailored the training sessions around these key messages, all while keeping our sessions varied and exciting.

Then came the introduction of Monday Night PAIN CAVE! A HIIT type session focused on improving fitness and strength. Challenging the boys to 30 minutes of Push-Ups, Sit-ups, Burpees and plenty other sweat inducing exercises. No matter how much it hurt or how sore they were the next day, the boys returned week after week showing their determination to be the strongest and fittest team in our division.

As we entered grading games, the team displayed their skill set by winning every game and moving us up into Div 5. The first game of Div 5 brought strong competition in the Hampton Rovers and our first loss. With the boys wondering what the higher division had in store for them, us coaches set to work.

Going BIGGER, HARDER, STRONGER in our training drills while sticking to our original key tactics. Enforcing, our confidence in the team, we sent the boys back on the field and holy moly did these boys deliver! Winning the next ten games to finish off the season and clench the Minor Premiership.

Semi-Final. With a slow first half and the ball mostly going back and forth through the corridor, we stepped up our game and finished off the match with a 97-16 win over the Vampires to move us through to the Grand Final.

Grand Final. Windy conditions made for a tough Final, our WPH boys played a great game, and we saw the lead change hands a few times throughout the four quarters, unfortunately the Bears were just too good on the day and came out victors with a 1 goal difference to close out the game 21-27. An unfortunate end to an incredible season.

Our season would not have been the same without the ongoing support of our parent volunteers and I thank the following team officials for all they have done this season.

John Lillywhite, Tracey Blackstock, Dan Blackstock – for your support throughout the season. No matter the roles we all play, I think we make a bloody good team!

Darren Sibbison, Aaron Blencowe, Fil Rico and Brooke Lillywhite – for your ongoing commitment throughout the season to fill much needed game day field roles. Your contribution is always valued and appreciated, and the photos are a lasting memory to our season.

Mum's and Dads – for entrusting your sons to our care each week and for allowing us to be a part of their footy journey and for some, early career! I considered myself privileged and rewarded to have been a part of this AMAZING team. Thanks a Million!

THE KARTEL SOLUTION UNDER 13 GIRLS MORESI COACH'S REPORT

The 2025 season was one of growth, resilience and, most importantly, friendship for our U13 Girls team. While the wins on the scoreboard were rare, the spirit, energy, and determination the girls showed every week was something to be truly proud of.

We welcomed several players new to football this year – Alex Moresi, Tyrah Clarke, Ruby Moolenaar, Lucia Feleppa, Caitlin Capples, Allie Drakeford, Elena Djokic, Matilda St Baker, Cindy Martin and Briar Blumeris. It was fantastic to see them embrace the game with such enthusiasm, showing courage and improvement each week. Unfortunately Ruby's season was cut short with a dislocated and fractured finger, but her contribution to the team was still felt, as she came to support every game.

Leadership was shared throughout the year, with the girls proudly taking on captaincy roles and giving leadership advice no matter if they were captain that day or not. Allie Drakeford's huge improvement in the midfield was a highlight, Emily Smith's and Elexis Djokic run on the wings lifted the team, while Sadie Robinson and Elena Djokic's kicking developed strongly across the year.

Every player brought energy and plenty of chatter, making training and game days fun and full of spirit. Our tackling pressure was outstanding, led by Alex Moresi, Mirabella Wu-Zhu, and Matilda St Baker, while Harlee Wray provided some memorable goals up forward. Caitlin Capples showed determination week after week, pushing through nerves to give her all.

Some of the best memories came from the celebrations: every goal, no matter the score line, was met with cheers, hugs, and the girls lifting each other off the ground. That joy and support showed the incredible culture of this team. From the first game to the last, their improvement was undeniable, and their resilience was something to admire.

The greatest strength of this group is the friendships and teamwork they've built. They proved that success in junior football is about much more than results; it's about belonging, giving your best, and growing together.

To the parents and families, thank you for your endless support throughout the year. And to the girls, be proud of yourselves. You showed courage, resilience, and heart every time you pulled on the jumper. Carry that spirit with you, because the lessons you've learned this season will make you even stronger next year.

The future is bright.

KLM SPATIAL UNDER 14 GIRLS FLACK COACH'S REPORT

We started the pre season as a large combined group with the U13 girls, having made the jump to the top grade in 2024, and getting the chance to play against the benchmark teams in the competition. Our key focus of giving Respect, Effort and Encouragement was set on Day 1 and the group grew in the pre season with some great new additions.

The girls had some strong performances in the practice matches and grading phase, and it was clear we were ready to accept the challenge of Division 1 footy. The division was eventually culled to four teams, which has meant that every game was played been against really strong opposition [Beaumaris, Prahran and St Kilda City].

It has been a marvel to see the girls improving their team play, skills and confidence over the year. We managed to beat Prahran - who were one of last years grand finalists – twice during the season, and got within 13 points of Beaumaris - the team who beat us 157-0 in the semi final last year.

Stella, Elsie and Georgia represented the club and league with distinction at interleague. Violet has performed strongly at the U13 NGA game, and Eva was named as VC of the Victorian U12 team including a BOG performance at the carnival. Some terrific achievements for those girls. We have also seen Willow getting the opportunity to go to the summer trials with Oakleigh Chargers.

With some new additions mid season, the growth of the group as individuals, as a team, and in size, was a huge positive for the year. To have come from being in Division 3 two years ago to finishing second on the ladder in Division 1 is remarkable.

Sadly, we were affected with injury later in the season, with Anika (back) and Elsie (hamstring) ruled out of the finals, and Violet suffering a broken collarbone in the semi final against Beaumaris after we had made a really positive start in that game.

Our preliminary final was played in windy conditions against Prahran and after jumping out of the blocks, we went in to quarter time 1 point down having kicked with the wind. Unfortunately this put us behind the 8-ball for the rest of the game. Certainly not for a lack of effort, we were never able to reclaim the lead and our season finished, going down by 24 points.

I reflect on the season with satisfaction, and a personal experience of fun, laughs, fulfillment at watching the girls make tremendous progress. As a coach, I have been grateful for the enormous support from Adrienne Cochrane (TM), Jason Scarlett (Trainer and Chief Hype guy) and Nick Snart (Runner). I also want to make a special mention to Jarrad Swilks (Asst Coach) who took over the reins for 4 games while our family was away during the year – a big assignment which he stepped up to with great enthusiasm.

Thank you also to the broader parent group who played their weekly roles and supported the girls in their participation.

Lastly I thank the girls for making it a memorable year and a positive experience for me personally. They took on each training and game with a sense of camaraderie, and there is a bright future in footy for all of them if they continue to display the effort and willingness to learn that they have throughout 2025.

Go Hawks!

ELEGANCE TILES

UNDER 14 PHIBBS COACH'S REPORT

There was a sense of anticipation as the U14s started their preparation for season 2025, after playing in finals matches the previous two years. We welcomed to the club for their first year of football, Sam Ferro, Jacob Tarabay, Maximus Da Campo and Marquez Soria, from other clubs were Heath Warwarek and Tyrone Chhay, while Luca Spada rejoined the team.

Jack Gifford was reappointed Captain, with Dylan Toohey again taking on a deputy captain's role, while Noah Szabo continued his development by joining the leadership group. We started the season with excitement after a couple of fantastic performances in preseason matches against Narre Warren and Berwick with these displays giving the team a sense of confidence heading into the season.

We started with a game against St. Bede's, which was a tense and close battle all day, with the boys narrowly going down by less than a kick. A highlight though, was Jayden Gorsovski kicking his first goal for the club, which was met by congratulations all round by each of his teammates.

Throughout the grading games the boys were fantastic in recording their first win of the year by defeating East Brighton by two points and then followed that up by defeating Hampton. After the grading games, we were placed into Division 3, which we knew would be a challenge for the boys, but it would be a great opportunity for them to play against some quality opposition as well as a chance to develop both as a team and individuals.

We started our campaign in Division three with losses to St. Bede's, a one-point loss to Hampton and a competitive showing again Ajax. The series of the defeats could have easily been the catalyst for a drop in effort, performance and spirit, but it did the opposite and really fuelled a fierce resolve and desire amongst the group.

The boys should be congratulated for this as their training efforts improved, extras were completed and as a result they started to get rewards for their endeavours on the ground. Wins against Cheltenham, East Sandringham and a heart stopping classic against Hampton, in which we were down all day, but late goals to Lucas and Dylan as well as some key marks by Ray and Jack got us over the line.

The boys were on a roll as we headed to Ajax, to play the top side. We came out with a sense of determination to not make it easy for Ajax, and we completely dominated from start to finish and handed Ajax their only loss for the season. It was easily one of the best wins by the group in their time in junior football. The smiles on the players' faces said it all and it was probably one of the loudest versions of the club song in a long time!

To round out the home and away season, we played the only team we had defeated in the competition, St. Bede's. There was a fantastic crowd and plenty of support for the boys, which drove them to get over the line and tick off one of our goals which was to beat every side in the comp.

An elimination final against East Sandringham followed, in which the boys were competitive for a half, but unfortunately East Sandringham were too good on the day. As I said after the game, I hope the final game does not define the season, rather they use it as motivation to continue to work harder and become better people and young men. The development and growth across the season by all players is a testament to the boy's commitment and determination.

Congratulations to Jack Gifford, Kai Phibbs, Dylan Toohey and Oliver Hickey who participated in the SMJFL Intraleague program.

Good luck to those who suffered significant injuries during the year and their recovery – Jayden, Thomas and Kai.

In finishing I would like to thank all the parents for their support throughout the season. I appreciate all the support you gave to myself and the coaching team. To Andrew for your support, assistance and always being there for advice was greatly appreciated. To Shaye & Marie for trainer duties during the season and all other parents for filling volunteer roles. To Kylie for her support and role of manager, I am truly grateful and appreciate your tireless efforts.

I hope to see all players and parents next year as we look to continue this football journey with a fantastic group of families.

TEAM COCHRANE – OUR STORY

Before a ball was bounced, the U15 Boys and their families undertook a recruitment drive like no other – typical of the group's spirit that would light up 2025. We added seven to the group, setting two teams, with an unreal total of six new-to-football players that would each develop a story of their own and together create a bond forever.

We started the season with 21 players, which would be our season high, and dipped as low as 16 starters. But the support of Team Phibbs (U14s) would prove a valuable lifeline and truly connect the boys as friends rather than fill-ins across two teams. Thank you Noah, Tommy, Jarryd, Jack, Kai and Dylan, plus Kylie, Ben and Andrew – you allowed us to dream.

We won three of four grading games – proving we have more than just potential – and were elevated to Division 4 after a restructure. In R1 Aidan won the ANZAC medal showcasing speed & drive to challenge anyone in his way as we defeated Mordi-Brae. R2 and it was Christian taking grass from half back then half forward to bag three goals and best on ground as we defeated Ajax. R3 was a thumping as we kicked 22 goals to beat East Sandringham, with 12 goalkickers, but it was the dash and creativity of Will O that caught the eye as he announced himself as a player to watch – electric!

A few hard-fought losses followed but we kept seeing improvements as numbers grew at training, players locked in and started to see the fundamentals transfer into consistent performances from the likes of Will S in the ruck and as a tackling machine, Levi attacking from half back, Tarkyn (C) leading the way as an inside-mid, and Riley M and Owen splitting wings. We would end one game with 14 players and only lose by 9 points – a brave group – but continue to train hard, create our own stoppage plays, and reset a training plan to become more predictable to each other as we set a goal to be brave and run the ball.

By mid-season our skills started to show as the young men connected chains by hand and foot and our disciplined structure became a threat with a season-high 20 marks by Logan in defence and a hotspot goal from Joseph (VC) to take down Mordi-Brae again, this time by 5 points. Joey would finish the season with 30 goals (plus 3 in the upper division) scoring in every game except one – a super consistent rising star!

After many developing roles, Archer found elite form as a high half forward tick-leading toward goal, Ethan's footy IQ sparked rebounding attacks, Matteo won all his contests, Lucas became a drop-off intercepting defender, Ben started hitting the scoreboard, and James' pressure saved goals. We unearthed a gem in Lok as a reliable ruck and key position threat in defence and attack, while Tom O started to shine as a contested beast with pacey runners like Zahn flying by in support – predictable front & centre play.

We found our rhythm. Teams feared us – and rightly so! Our run home was inspiring. We had clutch moments from Jordan, a 60m torp on the siren to topple ladder leaders Stk City by 2 points. We had untitled leaders step up and grow in confidence with Riley C taking a running bounce down the wing one week and fending off opponents the next. We had speeches from Rob Blangiardo, aka the "heart", as hawks jumpers appeared from nowhere. We had spirit, energy and fun playing the game our way, our brand, our DNA.

We fell just short of finals, finishing fifth, but we achieved so much more. This group developed as footballers and friends and will forever have a story to tell. Thank you all for letting me play a role in our story. I will cherish all the special moments we shared.

With pride, your coach, Glen.

SPRINGVALE DISTRICTS FOOTBALL NETBALL CLUB

UNDER 15 RYAN COACH'S REPORT

Captain - Tyler Battaglia Vice Captain – Will Dresser

Season 2025 presented our group of young men with opportunities for growth while facing and accepting challenges that come from embracing such opportunities. After starting the season in Div 3, our lads quickly showed their form had carried on from a strong 2024 with a couple comprehensive wins, and one that came about from great teamwork and fight when challenged strongly in the other. This lead with our group earning elevation into Div 2, embracing development as individuals and a team.

In the next block of 7 games, we won 2, were in winning positions in 3 and were outclassed by a couple of the stronger sides in 2. It was in this period of the season where changes were made to our division which saw it go from 8 teams to 10 having a severe impact on fixturing, but not to the way our lads applied themselves.

The remainder of the season saw us play a block of games against the strongest teams in the division, but again our boys didn't allow this to dampen their enthusiasm for the contest, their mates, or their club – characteristics that will hold them in good stead for life, not just football.

Our season ended in the first week of the Reserves finals where fatigue finally caught up with us. A season marred by lengthy injuries, illness and operations meant that a lack of consistency in the availability of our best 21 stifled team cohesion and execution of our game plan – factors all out of boys' control. With that in mind, it's appropriate to thank boys from both Team Cochrane and Phibbs for filling in when required to ensure we had at least 18 players every week.

To my assistant coach, Simon, thank you for your efforts and steadfast support for both our boys and myself. Matt Lord for again taking on the running duties. Lara and Jason for the care you showed our young men as trainers.

Team Manager extraordinaire, Sam, thank you for your diligence every week to make sure things ran as smoothly as possible so our boys could play this great game. A Herculean effort indeed.

The parents, thanks for supporting Sam with the helper roles to ensure our boys could play and from both Simon and I, thank you for trusting us as coaches with your son.

Most importantly to the players. Your courage, heart, determination, and character as young men is unquestionable. The desire you showed for each other and the club every week speaks volumes to this. Thank you for the season and allowing me to be a part of your development. Your future is bright and so too is our society with you part of it. Believe me when I say that if both Simon and I could be 15 again, we would have no issues running out along side each of you onto the field. I hope to see you all in 2026.

Keep making the man in the mirror proud and remember, there's a reason why the windscreen is bigger than the rear-view mirror....

Thanks again
Peter Ryan.

MAZENOD OCFC UNDER 16 GIRLS HIPWELL COACH'S REPORT

So close. Preseason started early with a team meeting, where goals, rules and dreams were expressed and written into stone, the dream was simple WIN a Div 2 Flag. Grading was a little up and down, winning 2 and losing 2 by narrow margins. But generally, we knew we had some talent, and even more potential. As we got into the season our skills slowly but surely improved and so did our results with good wins in rounds 5 to 8. Round 9 we lost to East Sandy on who had come down from Div 1. The team were now all kicking and handballing the football well, with skills now ticked off, we went to work on moving the football.

With a core group of girls committed to training two nights per week, we were preparing for the run home and a crack at the finals. Rounds 10 to 13 were all wins. The team was in great form and high spirits. We knew what lay ahead of us and who was waiting: East Sandy Zebbies. Round 14 against the Zebbies was a great game and saw some amazing performances. After taking a 5 goal lead, they came back hard, the girls stood strong and came away with a two-goal win.

Finals Round 1 v East Sandy was a tight battle with only 5 goals being scored, up by points with 5 minutes remaining, a Zebbies player went down, and an ambulance was called. The game was called abandoned and was to be replayed on Tuesday night, but the Zebbies decided to forfeit. Preferring to go to a prelim than face more bruising from the Hawks. So, it was the Hawks vs Zebbies in the Grand Final, it was an extremely hard fought battle, with both sides not giving an inch. Goals from Georgia C and Julia saw us up by 2 points at 3 Qtr time, try as we might we could not kick a goal in the final quarter, resulting in a heart-breaking loss of 9 points.

An amazing year and wonderful team, led by our captain, Julia who had a great season. She furiously defended her teammates and celebrated in their success. Georgia Simpson continued her amazing improvement and was strong all year in the ruck. Layla was ever reliable running the backline with high marks and running rebound. Well done to all our new players, Zoe, Alicia, Lily, Charlotte, Mia, & Teresa, who all contributed well and learnt a lot during the year. Teresa being dominant towards the end of the year with amazing running abilities coupled with developing skills. Olivia (Liv) had another consistent year, often getting the opposition's best player to tag, she is tough as nails and a real competitor.

Massive improvements came from the girls consistently training two nights per week. Sabra developed into a dependable backline player. Kinslie played some incredible games, scoring many goals. Bella hit some serious form late in the season with her bullet point kicking and fantastic marking. Indy also had a breakout season turning into a ball magnet late in the season. Sophie exploded with speed and kicked some important goals for us. Sakura was hard at the contest all season, our best tackler. Emma got stronger and stronger as the year progressed. Isla continued to work hard on her game with incredible commitment and passion. Louise played some awesome games, marking and kicking goals. Ava continued to tackle strong and work on her game. Jamie had a difficult season with a concussion but to her credit she stayed strong with the team. Marina also played some good footy late in the season. It was great to see Scarlett back on the field after an ACL injury, she got stronger as we headed into finals, played a very important role for us on one of Zebbies best players. Alessia played some great footy in the finals and kept the opposition's forwards quiet.

Special thanks to Georgia C and Violet for helping during the season. Also, a massive thank you to Tony, our Assistant Coach who was a huge addition to the club, and loved by all the girls. And to Angela, our amazing Team Manager, without her, we would all be lost. It was an amazing season, and we could not be prouder of these girls. Go Hawks!

UNDER 18 GIRLS BLUES COACH'S REPORT

Our season started slowly, with only 11-12 girls showing up for preseason training in early February. Each week we'd arrive, hoping a new player would magically appear. Just up the road, the Mt Waverley Blues 18s were facing the same issue. After some chats between myself and Matt (Blues 18s coach), the idea of a merge was raised.

On Wednesday, March 27, the Blues girls joined the Hawks girls for a training run to test the waters. It was a huge success. The players made an immediate effort to make each other feel welcome, and friendships began forming from day one. Following that session, and a few conversations later, we decided to join forces for a practice match against Berwick that coming Sunday.

With Matt and I unfamiliar with players' names and positions, and the girls still learning each other's games, we braced for a potentially scrappy match. But what we saw that day sealed the deal, the performance was incredible, and it became the birth of the "Bawks." From that point, things gained momentum. Training numbers looked solid, player bonds strengthened, and belief in the squad grew. With another practice match coming up and Round 1 just around the corner, things were clicking.

We formed a leadership group voted in by the players - captains Giselle and Shelby, with Lexi and Gemma as Vice-Captains. A fantastic leadership team.

Round 1 arrived, and with it, a strong start in Division 2. Despite losing Charlotte to a serious ankle injury in the practice match, the girls came out firing against Cheltenham. The connection was instant. We played a high-quality brand of team footy and showed hunger and desire from the opening bounce, winning by 100 points.

Round 2 brought another convincing win, raising the possibility of a move to Division 1. The next two rounds were tighter, facing stronger opponents in Div 2, but still positive. After grading, SMJFL confirmed our move to Division 1.

The next 10 rounds were a rollercoaster - big losses, narrow wins, and even a forfeit. Despite the results, the girls kept showing up to training (well, except for a few of the colder weeks) with smiles and passion for footy. Sadly, we lost Giselle to an ACL during this stretch. Even with more losses than wins early in the season, we stayed close to the top 5. As belief grew, so did our performances - and ability to score.

Izzy became a regular on the goal kickers list. Gemma flew for mark of the year every week, and Jess dominated the midfield. Zoe and Taylor formed a powerful ruck duo. Charlotte returned from injury and hit her stride. Jade showed her Chargers-level skill, while Charlie's wing work was electric.

Our backline of Milla, Ziggy and Ash became rock-solid. Miyu and Mikayla improved steadily, becoming crucial players. Shelby's leadership remained strong and she began hitting the scoreboard as the season went on. Daisy delivered classy performances every week and Lexi's toughness and run from half-back were unmatched. Shantel brought speed through the middle, and Heather's confidence bloomed - capped off by her first career goal. Rhi played five games when work allowed and was a valuable contributor.

Big thanks to our U16 girls who stepped up: Julia (5 games), Scarlett, Bella, Georgia, and Layla all made valuable contributions. We appreciated your help and look forward to seeing you shine in 18s next year.

A major turning point came in Round 12. Facing Beaumaris - who beat us by 75 points in Round 5 - we showed how far we'd come. Although we lost by 15, it felt like a win and gave us real confidence. From there, we only lost one more game in the home-and-away season (to St Peter's in Round 13). A big Round 14 win over SMDJFC and a dominant victory in Round 15 against Pahrnan saw us leap into the finals.

Finals footy was something special. In Week 1 we defeated Murrumbena by 45 points. In Week 2, we overcame St Peter's in extra time by 10. In three weeks, we'd knocked out 4th, 3rd, and 2nd. That left just 1st - Beaumaris, in the Grand Final.

On Grand Final day, we were missing Daisy and carrying a few sore bodies, but spirits were high. We fought hard, playing one down after a questionable umpire call. With the wind in the last, the girls left everything out there, just as they had all season. The scoreboard didn't go our way, but we walked away proud.

To those who played their final game of junior footy: it's been a privilege to be a small part of your journey. I look forward to hopefully watching you in senior footy soon. Best of luck.

This was easily the most enjoyable season of coaching I've had. We had an amazing group of players and parents, witnessed friendships form, saw players grow in skill and confidence, and created something really special. I'd love nothing more than to see this group reunite someday and run out together again.

A few key thank-yous:

Matt - my right-hand man all season. You wore the assistant bib, but you were more than that. Your footy knowledge and calm presence were invaluable. The girls made our jobs easier, but your support was massive.

Glen - our Team Manager. You volunteered in the first week of this merged team, despite not knowing half the parent group, and did the role with a smile and great energy. You made our jobs as Coaches so much easier.

Mark - you selflessly stepped aside so Matt could coach, then took on the runner role and nailed it. Thanks for always putting the team first.

Troy - thanks for stepping in as our finals runner. Your experience and game sense were a welcome addition, and appreciated by the girls.

Nicole and Anne-Marie - you both took on the daunting trainer role with calm confidence. A special thanks to Pablo too - I know you would have been in the role had you been healthy.

To all the parents - your willingness to help, week in and week out, was unreal. The speed at which volunteer roles were snapped up became a running joke - it was almost a race to reply first. Your support created the environment we all thrived in. Thank you all for being part of something so special. Go Bawks! Al Vivic.

MAZENOD OCFC

UNDER 17.5 GARRUBBA COACH'S REPORT

Wow.... What a season!

Way back in November last year, the U17.5 squad begun the journey into the 2025 season. While initial numbers at pre-season training looked encouraging, it was the fantastic efforts of existing players to recruit even more numbers through school and friendship groups, resulting in sufficient numbers to form two U17.5 teams. Ultimately meaning we had the Wyllie team play in Division 3 and our Garrubba team competing in Division 1.

For our part and as a club that is much smaller than many other SMJFL clubs, to not only take our place in Division 1, but to successfully make finals, win a Semifinal against a full stacked Beaumaris side then push Cheltenham/Bentleigh/Highett within one goal of a grand final has been nothing short of sensational.

As with many teams in many clubs, our season was marred with significant injuries to several players, making it difficult to field a full team each week. A big thank you to the many players that played in both teams, often playing two games on the same day.

After our round 1 bye practice match, the boys gained confidence that they could match it with teams in the coveted Division 1. From there, we didn't look back, attacking training and each game with intensity, commitment and a willingness to constantly improve and give ourselves the best chance of success.

This was my first season coaching a 'junior' football team and I've absolutely loved it. I am so appreciative of the way I have been welcomed by the club and particularly the U17.5 players and families. I couldn't be prouder of the efforts of the players this season.

A special mention to the leadership group of Brandon Battaglia as captain, Patrick Klonis as Vice Captain and Kaden Mastromanno, Will Trumble and Yannick Kumarage as the Deputy Vice Captains who have led the team so well, on and off the Field.

Also, to the support team of Shane and Jackson McCluskey as Assistant Coaches, the amazing Hayley Corcoran as not only Trainer but a pseudo-Assistant Coach, Monique Leftley for her extraordinary Team Manager efforts and all the other family members that have helped along the way. Thanks so much!

For many of the boys this was their last season in junior footy ranks. What a way to farewell that part of their footy journey by playing finals in Division 1 of one of the strongest junior competitions in the country.

What a season, what an amazing group of talented young footballers, what a result playing finals! Huge congratulations lads!

Thanks so much for letting me play a part, Go Hawks!

SEALED PERFORMANCE BATTERIES UNDER 17.5 WYLLIE COACH'S REPORT

The 2025 season has been one to remember. I want to begin by acknowledging the enormous effort that went in before a ball was even bounced.

Our pre-season program was led by Adrian Garrubba, Shane McCluskey and Hayley Corcoran, who put the boys through an intense running block designed to make us the fittest side on the park. That vision came to life, with our fitness a real strength all season.

As numbers grew, we made the decision to field two teams. For Team Wyllie, this meant recruiting new players - some completely new to AFL, others returning after time away. The most pleasing part was how seamlessly they blended in, creating real connection and balance across the group. By mid-way through the season, we had 25 committed players.

Although split into two teams, Team Wyllie and Team Garrubba functioned as one squad, sharing structures, style and players. Thank you to all the boys who all stepped in and played for us across the year - you each contributed to a fantastic season.

After grading, Team Wyllie found themselves in Division 3. The boys played exciting, disciplined football built on run, ball movement and defensive pressure. Through the challenges of injuries and illness, every player owned their role and helped create the proud spirit of this team.

Our leadership group set the standard from day one. Hudson Heath and Oliver Wyllie were outstanding as Captain & Vice-Captain - leading with effort, voice and example week after week. They were brilliantly complemented by Charlie Bloomfield, Harry Cochrane and Ben Austin, who each had stellar seasons and consistently led from the front. This group gave us direction, discipline and belief.

Our ethos was simple: Effort, Discipline, Team, Believe - and the boys lived it every week. Different players stood up when needed, showing the true spirit of team sport. By seasons end, we had secured third spot on the ladder and then fought through finals to reach the Grand Final, playing St Kilda City. St Kilda were the benchmark all year, and whilst the result in the final game didn't fall our way, we pushed them harder than any other team through the season. Something for us all to be proud of.

A big thank you to Matt, Greg, Josh, Michael & Ryan for all of your hard work throughout the year and to our parents for your constant support. To the players - thank you for your courage, discipline and belief. You've made your coaches, families and club proud.

Although we fell short of the ultimate prize, the real victory lies in the growth, resilience and bond you've built together. You've made this coach incredibly proud - the improvement and maturity you've shown has been simply amazing.

Thank you for the effort, the commitment and the laughs along the way. My hope is that this group stays together and has another crack in 2026, because I know we can go one step further.

THE BARRY WHATELEY TROPHY

Named in honor of our founding President, and first awarded in 1976, the Barry Whateley Award recognises those that make a significant contribution to our club throughout the season.

The recipient is nominated and selected by the club President and can be a player, a dedicated volunteer, or a family who has gone above and beyond. This award is our way of celebrating the people who make our club great.

THE HARM VANDER HOVEN TROPHY

2025 LEADING GOAL KICKER

This award is named in memory of Harm Vander Hoven, a long time servant of the Club, who passed away in 2000. The trophy is awarded to the player who, out of over 345 players this season, kicked the most goals for the home and away season.

2002	James Schiano (U10's)	40 Goals
2003	Nicholas Bogar (U16's)	42 Goals
2004	Nicholas Bogar (U17's)	69 Goals
2005	Jordan Mook (U15's)	61 Goals
2006	Jordan Mook (U16's)	45 Goals
2007	Julian Conte (U14's)	77 Goals
2008	Julian Conte (U15's)	38 Goals
2008	Mathew Guiliano (U14's)	38 Goals
2009	Dean Siakoulis (U16's)	49 Goals
2010	Daniel Halabut (U14's)	58 Goals
2011	Lee Natsioulas (U14's)	70 Goals
2012	Mathew Giuliano (U17's)	33 Goals
2013	Stephen Hatzinikolaou (U14's)	42 Goals
2014	Alexander Palleschi (U14's)	30 Goals
2015	Jake Gasper (U15 Gold)	38 Goals
2016	Madeleine Huggins (U12 Girls)	59 Goals
2017	William Rice (U11 Brown)	32 Goals
2018	Madeleine Huggins (U14 Girls)	51 Goals
2019	Levi Pitsas (U12 Brown)	49 Goals
2020	No season due to COVID	
2021	Levi Pitsas (U14 Gold)	20 Goals
2022	Jackson McCluskey (U17.5 McCluskey)	49 Goals
2023	Georgia Cochrane (U12 Girls Czosnek)	49 Goals
2024	Georgia Cochrane (U13 Girls Wray)	28 Goals
2025	Georgia Cochrane (U14 Girls Flack)	49 Goals

THE PAUL DEEGAN AWARD

Named in honour of our Club President 2007 - 2009, the Paul Deegan Award recognises those individuals who have provided outstanding service to the Club over a number of seasons.

The Recipient is nominated and selected by the Executive Committee and can be a player, Club volunteer or Committee member.

2014	Darren Craig
2015	Al Jago
2016	Simon Fisher
2017	Tony Ferracane
2018	Anthony Froelich
2019	Dale Pensa
2019	Michelle McCluskey
2020	No season due to COVID
2021	Alex Vicic
2021	Marek Taborsky
2022	Adam White
2023	Paul Rice
2023	Ryan Hammond
2024	Belinda Hayes
2024	Mick Mastromanno
2025	De'arne Whitfield

THE MATTHEW FOALE COACH'S AWARD

The Matthew Foale Coaches Award is presented to the WPH Coach of the year. This award is given to a Coach who has provided outstanding service and contribution to our Club performing the role of a Coach/Assistant Coach over a particular season/s.

In its inaugural year in 2023, we are proud to not only present this Coach's Award to its first recipient, Matthew Foale, but confirm it will bear his name for years to come and be awarded to our Coach of the Year at the annual presentation day/season finale.

2023	Matthew Foale	(U17.5 Foale)
2024	Glen Cochrane	(U14 Cochrane)
2025	Ben Phibbs	(U14 Phibbs)

THE McCLUSKEY LIFETIME SERVICE AWARD

The McCluskey Lifetime Service Award honours outstanding contribution and leadership to the Waverley Park Hawks Junior Football Club. This award recognises an individual or couple whose enduring service, leadership and passion have supported the very heart of our Club.

Through years of dedication as leaders and tireless volunteers, Michelle and Shane McCluskey have helped grow our Club and create a strong, inclusive community culture that feels like family. Their commitment has ensured that all kids at the Waverley Park Hawks have the opportunity to play football, to grow, and to belong. Their legacy is seen in every game played, every child who takes the field with confidence, and every family that calls this Club home.

This award celebrates those who lead not for recognition, but for the love of the game, the kids and the values that define the Waverley Park Junior Football Club.

2025

Michelle and Shane McCluskey

2025 FOOTBALL PATHWAY SELECTIONS

Each year the Waverley Park Hawks family is so very proud to announce selection of our players in various pathway elite programs. These programs offer the opportunity to develop their skills and passion for our great game, while representing not only our club, but the Leagues and Academies who recognise their tremendous talent.

Congratulations to each and every player on their incredible achievements!

AFTER-MATCH PRESENTATIONS

CONGRATULATIONS TO OUR 2025 GRAND FINAL TEAMS

The Waverley Park Hawks family congratulates our **U12 Roughton**, and **U16 Girls Hipwell** teams on reaching the 2025 Grand Finals. Although the flags eluded us this year, making it to the finals is a remarkable achievement in itself. To every player, coach, and team official, we applaud your dedication, talent, and hard work - you've done us all proud!

CONGRATULATIONS TO OUR 2025 GRAND FINAL TEAMS

The Waverley Park Hawks family congratulates our **U18 Girls Blues** and **U17.5 Wyllie** teams on reaching the 2025 Grand Finals. Although the flags eluded us this year, making it to the finals is a remarkable achievement in itself. To every player, coach, and team official, we applaud your dedication, talent, and hard work - you've done us all proud!

Theme Song

**Yankee Doodle Dandee
We're a happy team at Waverley**

We're the Mighty Fighting Hawks

We love our Club, and we play to win

**Riding the bumps with a grin
.....at Waverley**

Come what may, you'll find us striving

Team work is the thing that talks

One for all and all for one

Is the way we play at Waverley

We are the Mighty Fighting Hawks!
